

MOE PR CARBINE STOCK - MAGPUL MOE PR COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 ODG

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MOE PR is a full-size carbine stock that blends the simplicity of the legacy MOE Carbine stock with design lines reminiscent to the PRS® Lite. These similarities naturally incorporate some of the features found on the PRS Lite, including a rest on the front edge of the stock for the support hand, allowing shooters to apply rearward pressure on the MOE PR to drive the stock securely into the shoulder for precise shot placement. The slim nature of the stock's geometry also reduces weight, and the bottom of the stock's frame also serves as a bag rider. With the M-LOK slot molded into the rear of the stock, shooters can attach a sling using the slot as a footman's loop or by adding an M-LOK® QD Sling Mount to one or both sides of the M-LOK slot. The MOE PR stock can use all CTR® Cheek Risers to provide a personalized, consistent cheek weld, but they are primarily used for non-AR style firearms. Made in the USA Minimalist, lightweight design Support-hand rest on front strap to minimize movement Bottom support acts as a bag rider for shooting rests CTR Cheek Riser compatible M-LOK slot for QD Sling Mount/footman's loop COMPATIBILITY For use with Mil-Spec carbine receiver extensions. Can be used with all CTR Cheek Risers and won't interfere with single-point slings attached to an ASAP or ASAP QD receiver end plate.

Safety Instruction Guide for MOE PR Carbine Stock

Introduction

Thank you for choosing the MOE PR Carbine Stock by MAGPUL. This guide provides essential safety information, installation instructions, and usage guidelines to ensure your safety and the proper functioning of the product. Please read this guide carefully before using the stock.

General Safety Guidelines

- Ensure the product is compatible with your firearm before installation.
- Always handle firearms safely and responsibly.
- Store the stock in a secure place away from children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limits for accessories attached to the stock.
- Ensure that the stock is properly secured to the firearm before use.
- Always use the stock in accordance with the manufacturer's instructions to prevent accidents.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

Installation

1. **Compatibility Check:** Ensure that the stock is compatible with MilSpec carbine receiver extensions.
2. **Remove Old Stock:** If replacing an existing stock, follow the manufacturer's instructions to safely remove it.
3. **Attach the MOE PR Stock:**
 - Align the stock with the receiver extension.
 - Secure the stock using the provided hardware.
 - Ensure that the stock is firmly attached and does not wobble.
4. **Install Cheek Riser (if applicable):** If using a CTR Cheek Riser, follow the instructions provided with the riser for proper installation.

Usage

- **Adjusting the Stock:** Adjust the stock length as needed for a comfortable fit.
- **Using the SupportHand Rest:** Utilize the supporthand rest on the front strap to minimize movement during aiming.
- **Attaching Accessories:** Use the MLOK slot to attach slings or other accessories securely.
- **Regular Maintenance:** Clean the stock periodically to ensure optimal performance and longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the MOE PR Carbine Stock, please refer to the manufacturer's website or contact their customer service department.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MOE PR Carbine Stock. Thank you for your attention to safety and for choosing MAGPUL products.
