# Safety Instruction Guide for the Amend2® S300™ Hybrid Grip Module

## Introduction

Thank you for choosing the Amend2® S300™ Hybrid Grip Module for your Sig Sauer® P320®. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your grip module. Please read and understand all sections of this guide before installation and use.

## General Safety Guidelines

- Ensure that the grip module is compatible with your firearm model before installation.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the grip module and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the grip module for signs of wear or damage.
- If you experience any issues with the grip module, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that you are using the grip module with compatible Sig Sauer® P320® style fire control units and complete slides.
- **Magazines:** Use only Sig Sauer® P365® style 10, 12, and 15round magazines to avoid malfunctions.
- **Holsters:** Use holsters specifically designed for Sig Sauer® P320® style grip modules to ensure proper fit and safety.
- **Accessory Attachments:** When attaching accessories, ensure they are securely fastened and do not obstruct the operation of the firearm.
- **Optics:** Ensure that any optics used are compatible with P320® style slides and are properly mounted.

## Instructions for Installation and Usage

### Installation Steps

1. **Prepare Your Workspace:** Ensure you have a clean, welllit workspace free of distractions.
2. **Safety Check:** Verify that your firearm is unloaded and the magazine is removed.
3. **Remove Existing Grip:** Follow the manufacturer's instructions to safely remove the existing grip module from your firearm.
4. **Install the S300™ Grip Module:**
  - Align the grip module with the fire control unit.
  - Press firmly until the grip module is securely in place.
5. **Reattach Components:** Reattach any components that were removed during the process, ensuring they are secure.
6. **Final Safety Check:** Conduct a final safety check to ensure that the firearm is functioning correctly.

### Usage Guidelines

- Always follow firearm safety practices when using your firearm with the grip module installed.
- Practice proper grip techniques to ensure accurate handling and operation.
- Regularly clean and maintain the grip module and your firearm to ensure optimal performance.

## Disposal Instructions

When disposing of the grip module or any firearm components, follow these guidelines:

- Dispose of in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of in regular household waste.
- Consider recycling options for materials when possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the official Amend2® website or contact your local authorized dealer. Ensure you have your product details ready for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy using your Amend2® S300™ Hybrid Grip Module responsibly.
