The Breek Arms WARHAMMER MOD2 ambi charging handle is a simple and affordable upgrade that will substantially increase the use of your AR-15. Easily grab on either side of the handle and you can quickly charge your rifle even with large gloves with the textured grooves that are cut into the latch handles. The wide set-back latches work great for large optics. The low profile design keeps it slim and sleek looking without sacrificing functionality. Made entirely out of 7075 aluminum for added strength and durability! The new MOD2 design features improvements for further reducing gas blowback in the shooter's face. The relief cuts on the top and bottom of the stem are designed to help direct extra gas out the side and away from your face. And for any gas that does manage to go straight back, we increased the height of the shelf to better cover the back of the upper. These modifications help improve the shooting experience, especially when shooting suppressed!

Safety Instruction Guide for the AR15 WARHAMMER MOD2 Ambidextrous Charging Handle

Introduction

Thank you for purchasing the Breek Arms AR15 WARHAMMER MOD2 Ambidextrous Charging Handle. This guide provides important safety information, installation instructions, and usage guidelines to ensure a safe and effective experience with your new product. Please read this guide carefully before using the charging handle.

General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 model.
- Always follow safe firearm handling practices.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Inspect the charging handle for any damage before use. Do not use if damaged.
- Always wear appropriate eye and ear protection when operating your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Use the charging handle only for its intended purpose: to charge an AR15 rifle.
- Avoid using excessive force when operating the charging handle to prevent damage.
- Ensure that the rifle is unloaded before installing or removing the charging handle.
- Do not attempt to modify or alter the charging handle in any way.
- If you experience any malfunctions or issues while using the charging handle, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Verify that your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Charging Handle:** If applicable, remove the existing charging handle from your AR15.
3. **Insert the New Charging Handle:** Align the Breek Arms WARHAMMER MOD2 charging handle with the upper receiver of your AR15.
4. **Secure the Charging Handle:** Press the charging handle into place until it is fully seated.
5. **Test Functionality:** Pull the charging handle back to ensure it operates smoothly and is securely installed.

Usage

- To charge your rifle, grip the charging handle on either side using the textured grooves.
- Pull the charging handle back firmly and release it to chamber a round.
- Always ensure the firearm is pointed in a safe direction when charging.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the charging handle in household waste.
- Consider recycling the aluminum material where facilities are available.
