

AR-15 WAHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE - BREEK ARMS AR-15 WARHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE FDE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Breek Arms WARHAMMER MICRO MOD2 ambi charging handle is a simple and affordable upgrade that will substantially increase the use of your AR-15. Easily grab on either side of the handle and you can quickly charge your rifle even with large gloves with the textured grooves that are cut into the latch handles. The smaller latches on the MICRO are for use when shooting with gear, slings, or barriers to avoid snagging. The total width of the latches measures 2.40", slightly wider than a standard charging handle width. The low profile design keeps it slim and sleek looking without sacrificing functionality. Made entirely out of 7075 aluminum for added strength and durability! The new MOD2 design features improvements for further reducing gas blowback in the shooter's face. The relief cuts on the top and bottom of the stem are designed to help direct extra gas out the side and away from your face. And for any gas that does manage to go straight back, we increased the height of the shelf to better cover the back of the upper. These modifications help improve the shooting experience, especially when shooting suppressed! FEATURES: Material: 7075-T6 aluminum Fits all mil spec AR15/M16 Rifles Finish: Type III hard-coat anodized Perfect replacement for any factory charging handle Latches are also 7075-T6 aluminum Reduced size ambidextrous release levers on both sides, 2.40" total width across the handles Set-Back Latches work great for large optics Allows for one handed manipulation Higher Rear Shelf and Relief Cuts to Divert Suppressor Gasses Weighs in just under 1 ounce! No gun smith required Made in America

Safety Instruction Guide for AR15 WARHAMMER MICRO MOD2 Ambidextrous Charging Handle

Introduction

Thank you for choosing the Breek Arms WARHAMMER MICRO MOD2 Ambidextrous Charging Handle. This product is designed to enhance the functionality of your AR15 rifle. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the charging handle is properly installed before using your rifle.
- Keep the charging handle and all firearm components clean and free from obstructions.
- Do not use the charging handle or rifle if you notice any damage or wear.
- Store your rifle and accessories in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure that the rifle is pointed in a safe direction before charging.
- Use the charging handle with both hands if necessary for better control.
- Avoid wearing loose clothing that could get caught in the charging handle.
- Do not attempt to modify or alter the charging handle in any way.
- Be cautious when using the charging handle with gloves; ensure a firm grip to avoid slippage.
- If using optics or other accessories, ensure they do not obstruct the use of the charging handle.

Instructions for Installation and Usage

Installation

1. Ensure your AR15 rifle is unloaded and pointed in a safe direction.
2. Remove the existing charging handle by pulling it out of the receiver.
3. Align the Breek Arms WARHAMMER MICRO MOD2 Charging Handle with the receiver.
4. Insert the charging handle into the receiver until it is fully seated.
5. Test the charging handle to ensure it operates smoothly.

Usage

- To charge your rifle, grasp the charging handle firmly with either hand.
- Pull the charging handle back to its maximum position and release it to chamber a round.
- Always ensure that the rifle is pointed in a safe direction when charging.

Disposal Instructions

- Dispose of the charging handle responsibly in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Breek Arms WARHAMMER MICRO MOD2 Ambidextrous

Charging Handle, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety guidelines and precautions, you can enhance your shooting experience while ensuring your safety and the safety of others. Thank you for your attention to these important instructions.
