

# AR-15 WAHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE - BREEK ARMS AR-15 WARHAMMER MICRO MOD2 AMBIDEXTROUS CHARGING HANDLE GRAY

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Breek Arms WARHAMMER MICRO MOD2 ambi charging handle is a simple and affordable upgrade that will substantially increase the use of your AR-15. Easily grab on either side of the handle and you can quickly charge your rifle even with large gloves with the textured grooves that are cut into the latch handles. The smaller latches on the MICRO are for use when shooting with gear, slings, or barriers to avoid snagging. The total width of the latches measures 2.40", slightly wider than a standard charging handle width. The low profile design keeps it slim and sleek looking without sacrificing functionality. Made entirely out of 7075 aluminum for added strength and durability! The new MOD2 design features improvements for further reducing gas blowback in the shooter's face. The relief cuts on the top and bottom of the stem are designed to help direct extra gas out the side and away from your face. And for any gas that does manage to go straight back, we increased the height of the shelf to better cover the back of the upper. These modifications help improve the shooting experience, especially when shooting suppressed! FEATURES: Material: 7075-T6 aluminum Fits all mil spec AR15/M16 Rifles Finish: Type III hard-coat anodized Perfect replacement for any factory charging handle Latches are also 7075-T6 aluminum Reduced size ambidextrous release levers on both sides, 2.40" total width across the handles Set-Back Latches work great for large optics Allows for one handed manipulation Higher Rear Shelf and Relief Cuts to Divert Suppressor Gasses Weighs in just under 1 ounce! No gun smith required Made in America

# Safety Instruction Guide for Breek Arms WARHAMMER MICRO MOD2 Ambidextrous Charging Handle

## Introduction

Thank you for choosing the Breek Arms WARHAMMER MICRO MOD2 Ambidextrous Charging Handle. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction when operating the charging handle.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Use the charging handle only with compatible AR15/M16 rifles.
- Do not modify the charging handle or any part of the firearm.
- Regularly inspect your charging handle for any signs of wear or damage.
- Store your firearm and charging handle in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm usage and safety.

## Specific Safety Precautions for Use

- When using gloves, ensure that they are compatible with the textured grooves of the charging handle for optimal grip.
- Be cautious when shooting with gear, slings, or barriers to avoid snagging the charging handle.
- If using a suppressor, be aware of the potential for gas blowback and adjust your shooting position accordingly.
- Always ensure that the charging handle is fully engaged before firing your weapon.
- Never attempt to force the charging handle if it feels stuck; instead, check for obstructions or damage.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Make sure your firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Charging Handle:**
  - Pull the rear takedown pin to separate the upper and lower receiver.
  - Remove the old charging handle by sliding it out of the receiver.
3. **Install the New Charging Handle:**
  - Align the Breek Arms WARHAMMER MICRO MOD2 charging handle with the receiver.
  - Slide the charging handle into the receiver until it is fully seated.
4. **Reassemble the Firearm:**
  - Reattach the upper and lower receiver by inserting the rear takedown pin.
  - Ensure that everything is secure and properly aligned.

### Usage

- To charge your rifle, grasp the charging handle from either side and pull it back smoothly.
- Ensure that you release the handle fully to allow it to return to its resting position.
- Practice using the charging handle with different types of gloves to ensure familiarity and comfort.
- In case of malfunction, do not attempt to fix the firearm while it is loaded.

## **Disposal Instructions**

- Dispose of the charging handle in accordance with local regulations regarding aluminum recycling.
- Ensure that any damaged parts are disposed of safely and do not pose a risk to others.
- If the charging handle is no longer functional, consider contacting the manufacturer for guidance on proper disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided with your product packaging.
