

3FO-S FLASH HIDER - BREEK ARMS 3FO-S FLASH HIDER 223/5.56 CALIBER 1/2"X28 THREAD

[Rifle Parts](#) > [Muzzle Devices](#) > [Flash Hiders](#)

The 3FO-S Flash Hider is machined out of heat treated 4140 then nitrided offering exceptional strength and reliability. The primary function of the 3FO-S diminishes muzzle flash by dispersing and redirecting the escaping gases generated by the fired round, thus minimizing the signature flash produced at the muzzle maintaining your tactical advantage in critical situations as well as keeping your rifle footprint as small as possible. The 3FO-S has internal threads, a significant design advantage offering even more flash suppression over standard flash hiders. The reduced flash not only helps maintain a clear sight picture but also reduces the chances of the shooter being temporarily blinded in low-light conditions, ensuring optimal visibility and target acquisition. It features a sleek, short profile that integrates seamlessly with your system, maintaining a clean and streamlined appearance. FEATURES: Short profile works great for Pistol Caliber Carbines Internal Threads Disrupt Gas Expansion Resulting in Less Flash Design: 3FO-S: 3 Prong Outside Threaded Short Flash Hider Outside Thread: 13/16 x 16 TPI Material: 4140 Steel Nitrided Cone Shape Lockup Provides a Tighter & More Concentric Fit Comes with 1 Crush Washer Overall length: 1.58 Inches Weight: 2.2 oz (223) 1.9 oz (9mm) Made in America Caliber & Thread Options: Cal: 223/556; Thread: 1/2x28 Cal: .30; Thread: 5/8x24 Cal: 9mm, Thread: 5/8x24 Cal: 9mm; Thread: 1/2x28 Cal: 9mm; Thread: 1/2x36

3FOS Flash Hider Safety Instruction Guide

Introduction

Thank you for choosing the 3FOS Flash Hider by BREEK ARMS. This product is designed to enhance your shooting experience by minimizing muzzle flash, ensuring better visibility, and maintaining tactical advantage in critical situations. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the flash hider.
- Use the flash hider only with compatible firearms and ammunition specified in the product details.
- Regularly inspect the flash hider for any signs of wear or damage.
- Ensure that the flash hider is securely attached before use to prevent it from coming loose during shooting.
- Keep the flash hider away from children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Be aware that the flash hider is designed to reduce muzzle flash but does not eliminate it entirely. Exercise caution in lowlight conditions.
- Always wear appropriate eye and ear protection when using firearms equipped with the flash hider.
- Avoid pointing the firearm at anything you do not intend to shoot, as with all firearms.
- Be mindful of your surroundings and ensure a safe shooting environment.
- If you experience any unusual performance or issues with the flash hider, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use a wrench to remove the existing muzzle device, if applicable.
- Clean the muzzle threads to remove any debris or residue.
- Apply a small amount of thread locking compound to the threads of the barrel (optional).
- Screw the 3FOS Flash Hider onto the barrel, ensuring it is aligned properly.
- Tighten securely using a wrench, but do not overtighten to avoid damage.
- Attach the crush washer provided to ensure a proper fit and alignment.

2. Usage

- After installation, perform a function check to ensure the flash hider is secure.
- When shooting, maintain a firm grip on the firearm and be aware of the flash hider's function in redirecting gases.
- Monitor the performance of the flash hider during use and inspect it after each shooting session.

Disposal Instructions

- Dispose of the flash hider in accordance with local regulations regarding firearm accessories.
- Do not dispose of the flash hider in regular household waste.
- If the flash hider is damaged or no longer usable, consult a local recycling center or hazardous waste facility for proper disposal options.

Contact Information for Further Support

For any inquiries related to the safety and usage of the 3FOS Flash Hider, please refer to the manufacturer's contact information provided at the point of purchase.

Important Note: Always stay informed about product recalls and safety alerts. You can check for updates on the EU's Safety Gate platform to ensure the continued safety of your product. Report any unsafe products or incidents to the appropriate authorities.

Thank you for prioritizing safety while enjoying your shooting experience with the 3FOS Flash Hider.
