The 3FO-S Flash Hider is machined out of heat treated 4140 then nitrided offering exceptional strength and reliability. The primary function of the 3FO-S diminishes muzzle flash by dispersing and redirecting the escaping gases generated by the fired round, thus minimizing the signature flash produced at the muzzle maintaining your tactical advantage in critical situations as well as keeping your rifle footprint as small as possible. The 3FO-S has internal threads, a significant design advantage offering even more flash suppression over standard flash hiders. The reduced flash not only helps maintain a clear sight picture but also reduces the chances of the shooter being temporarily blinded in low-light conditions, ensuring optimal visibility and target acquisition. It features a sleek, short profile that integrates seamlessly with your system, maintaining a clean and streamlined appearance. 3FOS Flash Hider User Safety Instructions

Introduction

Thank you for choosing the 3FOS Flash Hider by BREEK ARMS. This product is designed to enhance your shooting experience by minimizing muzzle flash and improving visibility. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm and its accessories as if they are loaded.
- Ensure that the Flash Hider is compatible with your firearm before installation.
- Use only the recommended calibers and thread sizes as specified in the product description.
- Always wear appropriate eye and ear protection while shooting.
- Keep the Flash Hider and your firearm clean and wellmaintained.
- Store the Flash Hider and firearms in a secure location, out of reach of children and unauthorized persons.
- Regularly inspect the Flash Hider for signs of wear or damage.

Specific Safety Precautions for Use

- Do not modify the Flash Hider or use it in a manner not intended by the manufacturer.
- Ensure the Flash Hider is securely attached before firing.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or unusual behavior while using the Flash Hider, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Make sure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Flash Hider:** If applicable, use the appropriate tools to remove any existing Flash Hider or muzzle device.
3. **Clean Threads:** Inspect and clean the threads on the muzzle of your firearm to ensure a proper fit.
4. **Attach Flash Hider:**
 - Align the internal threads of the 3FOS Flash Hider with the external threads of your firearm.
 - Handtighten the Flash Hider until secure.
5. **Use Crush Washer:** Ensure the provided crush washer is in place to create a secure fit.
6. **Torque:** Use a wrench to tighten the Flash Hider to the manufacturer's specifications, being careful not to overtighten.

Usage

- Once installed, the Flash Hider is intended for use with compatible firearms and ammunition.
- Always follow standard safety practices while shooting, including maintaining a safe distance from others and ensuring a clear line of sight.

Disposal Instructions

- Dispose of the Flash Hider in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the Flash Hider in regular household waste.
- Contact a local recycling facility or firearms dealer for proper disposal options.
