

# GUARDIAN OPTIC GUARD - RADIAN WEAPONS GUARDIAN - HOLOSUN 407C/507C - GLOCK MOS - BLACK

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, iron forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

## Attributes

# Safety Instruction Guide for GUARDIAN OPTIC GUARD RADIANT

## Introduction

Thank you for choosing the GUARDIAN OPTIC GUARD RADIANT. This product is designed to provide exceptional protection for your pistol red dot optic. To ensure safe and effective use, please read this safety instruction guide thoroughly. It contains essential information regarding safety guidelines, installation, usage, and disposal.

## General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
  - Always inspect the product for any damages before use.
  - Use the product only as intended and according to the manufacturer's specifications.
  - Keep the product out of reach of children and vulnerable individuals.
  - Report any unsafe conditions or accidents to local authorities.
  - Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- To avoid potential hazards, please observe the following precautions:
  - Always wear appropriate eye protection when handling firearms and accessories.
  - Do not modify the product in any way that could compromise its safety or functionality.
  - Ensure that the mounting screws are securely tightened before use.
  - Avoid exposure to extreme temperatures and moisture, which could affect product integrity.
  - If you notice any unusual wear or damage, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation Instructions

- Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
- Remove any existing sights or mounting plates from the firearm.
- Align the GUARDIAN Optic Mounting System with the mounting interface on your firearm.
- Insert the STUDLOK threaded stud through the mounting plate and secure it with the nut provided.
- Tighten the nut firmly to ensure a secure fit, but avoid overtightening which could damage the threads.
- Install any optional backup sights as needed, ensuring they do not obstruct the sight picture.

### 2. Usage Instructions

- After installation, check the alignment of the optic to ensure it is properly mounted.
- Perform a function check of your firearm to ensure that all components are working correctly.
- Always follow safe handling practices when using your firearm.
- Regularly inspect the optic and mounting system for signs of wear or damage.

## Disposal Instructions

- Dispose of the product responsibly at the end of its life cycle:
  - Do not dispose of the product in regular household waste.
  - Check local regulations for proper disposal methods for electronic and metal components.
  - If applicable, return the product to a designated recycling facility.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details, which can typically be found on the product packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
