

# TACTICAL ONE-PIECE SCOPE MOUNT - AREA 419 TACTICAL 30MM 0MOA MEDIUM (1.26") 1-PIECE SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

**AREA 419 TACTICAL ONE-PIECE SCOPE MOUNT** When Area 419 set out to make the perfect scope mount, they knew what they needed to make something that was reliable and consistent at a degree you won't find anywhere else on the market. This led down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made - as well as an incredible amount of robustness without adding unnecessary weight. Like most mounts, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, they produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in Area 419's world-class machining centers. Mounts are then brought off the machine in sets, QC'd and packaged, ensuring that you receive a mount that was finished perfectly. Is it overkill? Probably. But they think it's the right way. So that's what they are going to do. **NOTE:** These scope mounts DO NOT include a diving board.

**FEATURES** CNC Milled in America from American 7075 Aluminum Raw aluminum, precision bored scope contact surfaces for maximum grip Final-bored in sets, and never fully disassembled after boring Multiple accessory mounting points Separate rail clamping bars for maximum grab on the pic rail Inset clamping feet, allowing for maximum mounting adjustment and pic rail utility Steel guide pins between base and caps, aiding in alignment Custom nitrided stainless hardware Patent-Pending ultra-rigid and repeatable top accessory attachment - attach optional Tactical Diving Board.

## Attributes

- Name: [AREA 419 TACTICAL 30MM 0MOA MEDIUM \(1.26"\) 1-PIECE SCOPE MOUNT BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430107284
- Mfr. No.: 419-TSM-3032
- Finish: Black
- Height: 1.26"
- Material: Aluminum
- Scope Tube Diameter: 30mm
- Size: Medium
- Style: Picatinny Rail
- Delivery weight: 0.522kg
- Shipping height: 71mm
- Shipping width: 147mm
- Shipping length: 241mm
- UPC: 810080182097

# Consumer Safety Instruction Guide for AREA 419 Tactical OnePiece Scope Mount

## Introduction

Thank you for choosing the AREA 419 Tactical OnePiece Scope Mount. This guide provides important safety information to ensure the safe use and installation of your scope mount. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure the scope mount is used only for its intended purpose. Follow all instructions for safe operation.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be provided. Always check for updates regarding safety recalls.
- **Online Shopping:** If purchased online, ensure that the retailer meets safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra caution should be taken when children are present. Keep the product out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Inspection Before Use:** Always inspect the scope mount for any signs of damage or defects before installation.
- **Proper Fit:** Ensure that the scope mount is compatible with your optic and firearm. Incorrect fit can result in failure during use.
- **Installation:** Follow the installation instructions carefully to avoid misalignment or improper attachment.
- **Weight Limit:** Do not exceed the recommended weight limit for accessories mounted on the scope mount.
- **Torque Specifications:** Use a torque wrench to tighten screws to the specified torque settings to prevent overtightening, which may cause damage.
- **Handling:** Handle the scope mount with care to avoid dropping or damaging it, as this may affect its performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and the appropriate screwdrivers.
- Ensure your workspace is clean and free of debris.

### 2. Installation Steps:

- **Step 1:** Align the base of the scope mount with the picatinny rail on your firearm.
- **Step 2:** Position the caps over the scope rings, ensuring they align properly with the base.
- **Step 3:** Insert the screws through the caps and into the base. Handtighten each screw to secure the mount temporarily.
- **Step 4:** Using a torque wrench, tighten the screws to the specified torque settings provided in the product specifications.
- **Step 5:** Once secured, check the alignment of the scope and make any necessary adjustments.

### 3. Usage:

- After installation, ensure the scope is securely attached and verify that it is properly zeroed before use.
- Regularly check the scope mount for tightness and alignment, especially after extended use or rough handling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and metal waste.
- Do not dispose of the product in general household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the AREA 419 Tactical OnePiece Scope Mount, please refer to the contact information provided by your retailer. They will assist you with any safety inquiries or product support you may need.

By following these safety instructions, you can ensure the safe and effective use of your AREA 419 Tactical OnePiece Scope Mount. Thank you for your attention to these important guidelines.
