

# TACTICAL ONE-PIECE SCOPE MOUNT - AREA 419 TACTICAL 34MM 0MOA HIGH (1.54") 1-PIECE SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

**AREA 419 TACTICAL ONE-PIECE SCOPE MOUNT** When Area 419 set out to make the perfect scope mount, they knew what they needed to make something that was reliable and consistent at a degree you won't find anywhere else on the market. This led down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made - as well as an incredible amount of robustness without adding unnecessary weight. Like most mounts, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, they produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in Area 419's world-class machining centers. Mounts are then brought off the machine in sets, QC'd and packaged, ensuring that you receive a mount that was finished perfectly. Is it overkill? Probably. But they think it's the right way. So that's what they are going to do. **NOTE:** These scope mounts DO NOT include a diving board. **FEATURES** CNC Milled in America from American 7075 Aluminum Raw aluminum, precision bored scope contact surfaces for maximum grip Final-bored in sets, and never fully disassembled after boring Multiple accessory mounting points Separate rail clamping bars for maximum grab on the pic rail Inset clamping feet, allowing for maximum mounting adjustment and pic rail utility Steel guide pins between base and caps, aiding in alignment Custom nitrided stainless hardware Patent-Pending ultra-rigid and repeatable top accessory attachment - attach optional Tactical Diving Board.

## Attributes

- Name: [AREA 419 TACTICAL 34MM 0MOA HIGH \(1.54"\) 1-PIECE SCOPE MOUNT BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430107290
- Mfr. No.: 419-TSM-3439
- Finish: Black
- Height: 1.54"
- Material: Aluminum
- Scope Tube Diameter: 34mm
- Size: High
- Style: Picatinny Rail
- Delivery weight: 0.522kg
- Shipping height: 71mm
- Shipping width: 147mm
- Shipping length: 241mm
- UPC: 810080182356

# TACTICAL ONEPIECE SCOPE MOUNT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the AREA 419 Tactical OnePiece Scope Mount. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read and understand all instructions before installation and usage.

## General Safety Guidelines

- Ensure that the scope mount is used only for its intended purpose as specified by the manufacturer.
- Always inspect the scope mount for any signs of damage or wear before each use. Do not use if damaged.
- Keep the scope mount and all associated accessories out of reach of children.
- In case of any accidents or unsafe product experiences, report them to the relevant authorities.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Always handle the scope mount with care to avoid dropping or damaging it.
- **Installation:** Follow the installation instructions carefully to ensure proper fitting and safety.
- **Weight Limits:** Do not exceed the maximum weight limit specified for the scope mount to prevent failure during use.
- **Compatibility:** Ensure that the scope mount is compatible with your scope and firearm before installation.
- **Environment:** Avoid using the scope mount in extreme weather conditions that may affect its performance.

## Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and components before starting the installation process.
2. **Installation Steps:**
  - Begin by cleaning the mounting area on your firearm to ensure a secure fit.
  - Position the scope mount on the Picatinny rail of your firearm.
  - Align the mounting holes of the scope mount with the rail slots.
  - Use the provided steel guide pins to aid in alignment between the base and caps.
  - Secure the mount using the custom nitrided stainless hardware provided, ensuring that all screws are tightened to the specified torque.
  - After installation, doublecheck that the mount is securely attached and does not wobble.
3. **Usage:**
  - Once installed, carefully mount your optic onto the scope mount.
  - Ensure the optic is securely fastened and that all clamping feet are properly adjusted for maximum grip.
  - Regularly check the tightness of the mount and optic during use, especially after heavy shooting sessions.

## **Disposal Instructions**

- Dispose of the scope mount and any packaging materials in accordance with local regulations.
- Do not dispose of the scope mount in regular household waste. Check for designated recycling facilities for metal components.

## **Contact Information for Further Support**

For any inquiries or support regarding the scope mount, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure the safe and effective use of your AREA 419 Tactical OnePiece Scope Mount.
