

TACTICAL ONE-PIECE SCOPE MOUNT - AREA 419 TACTICAL 35MM 0MOA MEDIUM (1.26") 1-PIECE SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

AREA 419 TACTICAL ONE-PIECE SCOPE MOUNT When Area 419 set out to make the perfect scope mount, they knew what they needed to make something that was reliable and consistent at a degree you won't find anywhere else on the market. This led down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made - as well as an incredible amount of robustness without adding unnecessary weight. Like most mounts, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, they produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in Area 419's world-class machining centers. Mounts are then brought off the machine in sets, QC'd and packaged, ensuring that you receive a mount that was finished perfectly. Is it overkill? Probably. But they think it's the right way. So that's what they are going to do. **NOTE:** These scope mounts DO NOT include a diving board. **FEATURES** CNC Milled in America from American 7075 Aluminum Raw aluminum, precision bored scope contact surfaces for maximum grip Final-bored in sets, and never fully disassembled after boring Multiple accessory mounting points Separate rail clamping bars for maximum grab on the pic rail Inset clamping feet, allowing for maximum mounting adjustment and pic rail utility Steel guide pins between base and caps, aiding in alignment Custom nitrided stainless hardware Patent-Pending ultra-rigid and repeatable top accessory attachment - attach optional Tactical Diving Board.

Attributes

- Name: [AREA 419 TACTICAL 35MM 0MOA MEDIUM \(1.26"\) 1-PIECE SCOPE MOUNT BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430107292
- Mfr. No.: 419-TSM-3532
- Finish: Black
- Height: 1.26"
- Material: Aluminum
- Scope Tube Diameter: 35mm
- Size: Medium
- Style: Picatinny Rail
- Delivery weight: 0.522kg
- Shipping height: 71mm
- Shipping width: 147mm
- Shipping length: 241mm
- UPC: 810080182110

TACTICAL ONEPIECE SCOPE MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the AREA 419 TACTICAL ONEPIECE SCOPE MOUNT. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the scope mount by following the instructions provided in this guide. This product is designed for nonfood use and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a notice regarding this product, follow the instructions for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please contact the seller or manufacturer directly.
- **Rapid Alerts:** Be aware of updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspection:** Before each use, inspect the scope mount for any signs of damage or wear. Do not use if damaged.
- **Compatibility:** Ensure the scope mount is compatible with your scope and rifle before installation.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer for the scope and accessories mounted on the mount.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting, which could lead to accidents or injury.
- **Secure Mounting:** Ensure that the scope mount is securely attached to the rifle to prevent it from loosening during use.
- **Avoid OverTorquing:** When tightening screws, avoid overtorquing, which can cause damage to the mount and the rifle.
- **Use of Accessories:** If using additional accessories, ensure they are compatible with the scope mount and do not interfere with its function.
- **Environmental Considerations:** Avoid exposing the scope mount to extreme temperatures or harsh conditions that could affect its performance.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a torque wrench.
2. **Prepare the Rifle:** Ensure the rifle is unloaded and pointed in a safe direction.
3. **Attach the Base:**
 - Align the base of the scope mount with the Picatinny rail on the rifle.
 - Use the provided screws to attach the base securely to the rail.
4. **Install the Scope:**
 - Place the scope into the rings of the mount.
 - Adjust the positioning for optimal eye relief and alignment.
5. **Secure the Cap:**
 - Place the cap over the scope and align it with the base.

- Tighten the screws evenly to avoid misalignment.

6. **Final Checks:**

- Doublecheck all screws for tightness using a torque wrench.
- Ensure the scope is level and properly aligned before use.

Usage

- Always check the scope mount before use to ensure it is secure.
- After installation, test the rifle and scope for accuracy and alignment.
- If you notice any issues during use, stop immediately and inspect the mount and scope.

Disposal Instructions

When the scope mount reaches the end of its life cycle or is no longer needed, please dispose of it responsibly:

- **Recycling:** Check local regulations for recycling aluminum products. Many areas have facilities that accept aluminum for recycling.
- **Hazardous Waste:** If any components are deemed hazardous, follow local disposal guidelines for hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the TACTICAL ONEPIECE SCOPE MOUNT, please refer to the manufacturer or retailer from whom you purchased the product. They will provide the necessary support and assistance.

Thank you for your attention to these safety instructions. We hope you enjoy the use of your AREA 419 TACTICAL ONEPIECE SCOPE MOUNT. Stay safe!
