

# TACTICAL ONE-PIECE SCOPE MOUNT - AREA 419 TACTICAL 35MM 20MOA HIGH (1.54") 1-PIECE SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

**AREA 419 TACTICAL ONE-PIECE SCOPE MOUNT** When Area 419 set out to make the perfect scope mount, they knew what they needed to make something that was reliable and consistent at a degree you won't find anywhere else on the market. This led down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made - as well as an incredible amount of robustness without adding unnecessary weight. Like most mounts, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, they produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in Area 419's world-class machining centers. Mounts are then brought off the machine in sets, QC'd and packaged, ensuring that you receive a mount that was finished perfectly. Is it overkill? Probably. But they think it's the right way. So that's what they are going to do. **NOTE:** These scope mounts DO NOT include a diving board.

**FEATURES** CNC Milled in America from American 7075 Aluminum Raw aluminum, precision bored scope contact surfaces for maximum grip Final-bored in sets, and never fully disassembled after boring Multiple accessory mounting points Separate rail clamping bars for maximum grab on the pic rail Inset clamping feet, allowing for maximum mounting adjustment and pic rail utility Steel guide pins between base and caps, aiding in alignment Custom nitrided stainless hardware Patent-Pending ultra-rigid and repeatable top accessory attachment - attach optional Tactical Diving Board.

## Attributes

- Name: [AREA 419 TACTICAL 35MM 20MOA HIGH \(1.54"\) 1-PIECE SCOPE MOUNT BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430107295
- Mfr. No.: 419-TSM-353920
- Finish: Black
- Height: 1.54"
- Material: Aluminum
- Scope Tube Diameter: 35mm
- Size: High
- Style: Picatinny Rail
- Delivery weight: 0.522kg
- Shipping height: 71mm
- Shipping width: 147mm
- Shipping length: 241mm
- UPC: 810080182394

# Consumer Safety Instruction Guide for AREA 419 Tactical OnePiece Scope Mount

## Introduction

Thank you for choosing the AREA 419 Tactical OnePiece Scope Mount. This guide provides essential safety information to ensure the safe use and installation of your scope mount. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure the product is used solely for its intended purpose.
- Keep the scope mount out of reach of children and vulnerable individuals.
- Regularly inspect the scope mount for any signs of wear or damage.
- If any parts are damaged, discontinue use immediately and seek replacement.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for installation and use.
- Do not exceed the recommended load capacity of the scope mount.
- Ensure that the scope mount is securely attached to the firearm before use.
- Avoid using the scope mount in extreme conditions (e.g., excessive heat or cold) that may affect its performance.
- Use only compatible accessories with the scope mount to prevent malfunctions.
- Do not modify the scope mount in any way, as this may compromise its safety and performance.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Gather all necessary tools and components required for installation.
- Ensure the firearm is unloaded and pointed in a safe direction during installation.
- Position the scope mount on the Picatinny rail of the firearm.
- Align the mounting holes of the scope mount with the rail.
- Use the provided steel guide pins to aid in alignment.
- Securely tighten the clamping bars using the custom nitrided stainless hardware provided, following the manufacturer's torque specifications.

### 2. Usage Instructions:

- After installation, check that the scope is securely mounted.
- Perform a visual inspection to ensure all components are intact and properly secured.
- Regularly check the torque settings of the mounting hardware to ensure stability during use.
- If using optional accessories, ensure they are compatible and securely attached.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the AREA 419 Tactical OnePiece Scope Mount, please contact the designated EUbased contact point provided with your product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Enjoy your experience with the AREA 419 Tactical OnePiece Scope Mount!
