

TACTICAL ONE-PIECE SCOPE MOUNT - AREA 419 TACTICAL 36MM 20MOA HIGH (1.54") 1-PIECE SCOPE MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

AREA 419 TACTICAL ONE-PIECE SCOPE MOUNT When Area 419 set out to make the perfect scope mount, they knew what they needed to make something that was reliable and consistent at a degree you won't find anywhere else on the market. This led down a rabbit-hole, ultimately arriving on a process that gets you final-bore matched rings, with raw aluminum internals, for a grip on your optic that is more reliable and more true than anything else made - as well as an incredible amount of robustness without adding unnecessary weight. Like most mounts, these begin as separate parts. Area 419 are making the bases and caps in batches. While many will make these parts, send them to anodize, and then just assemble, they produce around the extra steps. Once these parts return from anodize, they are fully assembled, placed back into specially produced rail fixtures, with the caps torqued to spec over specially made spacers (to give the rings space to torque down on the optic), and final-bored as sets in Area 419's world-class machining centers. Mounts are then brought off the machine in sets, QC'd and packaged, ensuring that you receive a mount that was finished perfectly. Is it overkill? Probably. But they think it's the right way. So that's what they are going to do. **NOTE:** These scope mounts DO NOT include a diving board. **FEATURES** CNC Milled in America from American 7075 Aluminum Raw aluminum, precision bored scope contact surfaces for maximum grip Final-bored in sets, and never fully disassembled after boring Multiple accessory mounting points Separate rail clamping bars for maximum grab on the pic rail Inset clamping feet, allowing for maximum mounting adjustment and pic rail utility Steel guide pins between base and caps, aiding in alignment Custom nitrided stainless hardware Patent-Pending ultra-rigid and repeatable top accessory attachment - attach optional Tactical Diving Board.

Attributes

- Name: [AREA 419 TACTICAL 36MM 20MOA HIGH \(1.54"\) 1-PIECE SCOPE MOUNT BLACK](#)
- Manufacturer: [AREA 419](#)
- Product no.: 430107299
- Mfr. No.: 419-TSM-363920
- Finish: Black
- Height: 1.54"
- Material: Aluminum
- Scope Tube Diameter: 36mm
- Size: High
- Style: Picatinny Rail
- Delivery weight: 0.522kg
- Shipping height: 71mm
- Shipping width: 147mm
- Shipping length: 241mm
- UPC: 810080182387

TACTICAL ONEPIECE SCOPE MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Area 419 Tactical OnePiece Scope Mount. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before using the scope mount to familiarize yourself with safety precautions and proper installation procedures.

General Safety Guidelines

- **Product Safety:** Ensure that the scope mount is used in accordance with these guidelines to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about product recalls. Check the EU's Safety Gate platform for updates on recalls related to this product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations.
- **Consumer Focus:** Special care should be taken when the product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates on unsafe products.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by adults. Keep it out of reach of children.
- **Inspection:** Before each use, inspect the scope mount for signs of wear or damage. Do not use if damaged.
- **Installation:** Follow the installation instructions carefully. Improper installation may lead to scope failure or accidents.
- **Weight Limit:** Ensure that the scope and accessories do not exceed the weight limit specified by the manufacturer.
- **Environmental Conditions:** Avoid using the scope mount in extreme weather conditions that may affect performance.
- **Secure Mounting:** Ensure that the scope mount is securely attached to the rail to prevent it from loosening during use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure that the workspace is clean and free of distractions.

2. Installation Steps:

- Place the scope mount on the Picatinny rail of your firearm.
- Align the mounting holes of the scope mount with the rail slots.
- Use the provided steel guide pins to aid in alignment.
- Secure the scope mount using the custom nitrided stainless hardware.
- Torque the caps to the specified torque settings using the torque wrench. Ensure that spacers are used to allow for proper torque application.

3. **Final Checks:**

- After installation, doublecheck that all screws and components are tight and secure.
- Verify that the scope is properly aligned and securely mounted.

4. **Usage:**

- When using the firearm, ensure that the scope mount is functioning correctly and that the scope is securely attached.
- Regularly check the mount during use to ensure it remains secure.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the scope mount and any packaging materials in accordance with local regulations.
- **Recycling:** If possible, recycle aluminum components to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the TACTICAL ONEPIECE SCOPE MOUNT, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure the safe and effective use of your Area 419 Tactical OnePiece Scope Mount. Thank you for your attention to safety and enjoy your shooting experience!
