FN SCAR DISCARDER KNS PRECISION, INC. Safety Instruction Guide

Introduction

Thank you for choosing the FN SCAR DISCARDER Adjustable Gas Regulator by KNS Precision, Inc. This product allows for safe use with a wider variety of ammunition while reducing the rate of fire and improving overall performance. To ensure your safety and the longevity of your firearm, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the FN SCAR DISCARDER.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the FN SCAR DISCARDER for signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm use and modifications.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- The FN SCAR DISCARDER is designed for use with specific ammunition types. Ensure you are using compatible ammunition to avoid malfunctions.
- Do not attempt to modify the FN SCAR DISCARDER or your firearm beyond the manufacturer's specifications.
- Always wear appropriate eye and ear protection when firing your weapon.
- Avoid using the product in wet or humid conditions to prevent corrosion.
- Be aware of your surroundings and ensure a clear area behind your target.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Regulator:** If applicable, remove the existing gas regulator from your firearm according to the manufacturer's instructions.
3. **Install the FN SCAR DISCARDER:**
 - Align the FN SCAR DISCARDER with the gas port of your firearm.
 - Handtighten the regulator into place. No tools are required for installation.
4. **Adjust for Ammunition:**
 - Use the tactile detent to select from one of the 13 unique positions for optimal performance.
 - If necessary, install one of the three additional jet inserts provided with the product to accommodate various ammunition types.

Usage Instructions

- To adjust the gas flow, simply rotate the FN SCAR DISCARDER to the desired position. The lasermarked adjustments will guide you.
- After adjustments, test fire your weapon in a safe environment to ensure proper function.
- For best results, keep the regulator clean and free of debris.

Disposal Instructions

- When the FN SCAR DISCARDER reaches the end of its service life, dispose of it in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or performance of the FN SCAR DISCARDER, please contact the manufacturer directly through their official channels.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you are paramount. Enjoy your shooting experience with the FN SCAR DISCARDER!
