

SXT SERIES M-LOK HANDGUARDS - SAMSON MANUFACTURING CORP SXT HANDGUARD 9" M-LOK BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

NEW FEATURES: Sleek, Chamfered Leading Edge Ambidextrous Integrated QD Sling Point 7-Sided M-LOK® Includes (1) 2"" M-LOK® Attachment If you're looking for a quality USA made handguard for your AR-15, the NEW SXT Series Handguards are what you need. These rugged free-floating handguards offer a 7-Sided M-LOK® attachment system, ambidextrous integrated QD sling point, a sleek chamfered leading edge and comes with a 2"" M-LOK® attachment.

These handguards will not let you down. Easy to install – the simple clamping system uses two cross bolts which fit into the barrel nut for a rapid and easy installation. (The old SXS Series clamping system used a bias block on the bottom to secure the forearm to the barrel nut—which required knurling).

INCLUDES: Hex wrench, barrel nut, and barrel nut wrench **FEATURES:** Easy to install mount clamping system Free float design Sleek, chamfered leading

edge Ambidextrous integrated QD 7-Sided M-LOK® 2"" M-LOK® Attachment

SXT Series MLOK Handguards Safety Instruction Guide

Introduction

Thank you for choosing the SXT Series MLOK Handguards from Samson Manufacturing Corp. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new handguard. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that all users of the handguard are familiar with safe firearm handling practices.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Inspect the handguard and all components for damage before installation.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- If you encounter any issues during installation or usage, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Avoid using the handguard with firearms that are not compatible with MLOK attachments.
- Ensure that all attachments used with the MLOK system are securely fastened to prevent accidents.
- Do not exceed the manufacturer's recommended weight limit for attachments on the handguard.
- Be aware of your surroundings and ensure that your firearm is pointed in a safe direction at all times.
- Regularly check the handguard for signs of wear or damage, and replace it if necessary.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools, including the provided hex wrench, barrel nut, and barrel nut wrench.
- Ensure that the firearm is unloaded and safe to work on.
- Remove the existing handguard from the firearm according to the manufacturer's instructions.
- Align the SXT handguard with the barrel nut and secure it using the clamping system.
- Tighten the cross bolts until the handguard is firmly attached, ensuring that it does not move.
- Install the 2" MLOK® attachment as needed, ensuring it is securely fastened.

2. Usage

- After installation, conduct a function check of the firearm to ensure proper operation.
- Use the handguard as intended, avoiding any modifications that could compromise safety.
- Regularly clean the handguard and inspect for any loose parts or damage.

Disposal Instructions

- When disposing of the handguard, follow local regulations for the disposal of aluminum and firearm accessories.
- Do not incinerate the handguard or any components, as this may release harmful substances.
- Consider recycling the aluminum components to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your SXT Series MLOK Handguards, please

refer to the manufacturer's website or contact their customer support team.

This safety instruction guide is designed to ensure your safe experience with the SXT Series MLOK Handguards. Adhering to these guidelines will help you maintain safety while enjoying the benefits of your new handguard.
