# Safety Instruction Guide for Manual Folding Sights

## Introduction

Thank you for choosing the Manual Folding Sights from Samson Manufacturing Corp. These sights are designed for robust performance and reliability in various conditions. To ensure safe and effective use, please read this guide carefully and follow all safety instructions.

## General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that your firearm is unloaded before installing or adjusting the sights.
- Familiarize yourself with the operation of your sights before use.
- Always wear appropriate eye and ear protection when using firearms.
- Keep the sights and firearm clean and wellmaintained.
- Store the sights in a safe place, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the sights are installed correctly to prevent misalignment.
- Do not exceed the recommended windage adjustment limits.
- Avoid using the sights in extreme conditions that may compromise their integrity.
- Do not modify the sights or use them in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always follow local laws and regulations regarding firearm usage.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools including a torque wrench and appropriate screwdrivers.
2. **Check Compatibility:** Verify that your firearm has a 1913 Picatinny rail for proper attachment.
3. **Align the Sights:** Position the Manual Folding Front Sight (HK) and Manual Folding Rear Sight (A2) on the rail.
4. **Secure the Sights:** Use the stainless steel clamp to secure the sights firmly in place. Ensure they are locked in the deployed position.
5. **Adjust for Zero:** Use the windage adjustment to align the sights as needed, ensuring they are on target.

### Usage

- To deploy the sights, simply pull them up into position until they lock securely.
- Adjust the windage on the Manual Folding Rear Sight (A2) as needed for accuracy. Each click represents just over 0.5 MOA.
- After use, fold the sights back down to protect them from damage.

## Disposal Instructions

- Dispose of the sights in accordance with local regulations.
- Do not dispose of the sights in regular household waste. Check for local recycling or hazardous waste

disposal programs.

- Ensure that all components are disposed of safely to prevent harm to the environment or individuals.

## Contact Information for Further Support

For any inquiries or support regarding the Manual Folding Sights, please reach out to your local authorized dealer or refer to the manufacturer's website for contact details.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your Manual Folding Sights.
