# Safety Instruction Guide for Manual Folding Sights

## Introduction

Thank you for choosing the Manual Folding Sights by Samson Manufacturing Corp. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the product by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. Check the EU Safety Gate platform regularly for updates.
- **Online Shopping:** If purchased online, ensure that the platform complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates regarding unsafe products.

## Specific Safety Precautions for Use

- **Avoid Improper Use:** Do not use the sights in conditions they are not designed for, such as lower height gas block rails.
- **Check for Damage:** Inspect the sights for any signs of damage before each use. Do not use if damaged.
- **Secure Mounting:** Ensure that the sights are securely mounted to the Picatinny rail to prevent accidents.
- **Windage Adjustment:** Be cautious when adjusting the windage. Make adjustments in small increments (0.5 MOA per click) to maintain accuracy.
- **Environmental Conditions:** Avoid using the sights in extreme weather conditions that may affect performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and safe to handle.
- Select a suitable 1913 Picatinny rail on your firearm.
- Align the Manual Folding Front Sight (HK) with the Picatinny rail.
- Secure the sight using the stainless steel clamp provided. Ensure it is tightly fastened.
- Install the Manual Folding Rear Sight (A2) in a similar manner.
- Confirm that both sights are locked in the deployed position.

### 2. Usage:

- Once installed, check the alignment of the sights with your target.
- Make windage adjustments as necessary, using the precision laser engraving as a reference.
- Practice using the sights in a safe environment to become familiar with their operation and adjustment.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- **Recycling:** If possible, recycle components made of aluminum and steel to minimize environmental impact.

## Contact Information for Further Support

For assistance, please refer to the contact information provided by your retailer or directly from Samson Manufacturing Corp. Ensure you have your product details ready for any inquiries.

Thank you for your attention to these safety instructions. Enjoy using your Manual Folding Sights responsibly and safely.
