Safety Instruction Guide for MANUAL FOLDING SIGHTS

Introduction

Thank you for choosing the MANUAL FOLDING SIGHTS from Samson Manufacturing Corp. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before use to maximize safety and performance.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Inspect the sights for any damage or wear before each use.
- Ensure that the product is compatible with your firearm model.
- Keep the sights clean and free from debris to maintain optimal performance.
- Store the sights in a safe, dry place when not in use.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Do not use the sights if they show any signs of damage.
- Ensure that the sights are securely locked in the deployed position before use.
- Avoid using the sights in extreme weather conditions that may affect visibility or functionality.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always use appropriate eye and ear protection when shooting.
- Keep the product out of reach of children and unauthorized users.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Select the Rail Position:** Choose an appropriate position on your 1913 Picatinny rail for mounting.
3. **Attach the Sight:**
 - Align the sight with the selected rail position.
 - Securely fasten the sight using the stainless steel clamp provided.
4. **Check for Stability:** Ensure the sight is firmly attached and does not move when shaken.

Usage

1. **Adjusting Windage:** The Manual Folding Rear Sight (A2) features just over 0.5 MOA per click windage adjustment. Make adjustments as needed for accuracy.
2. **Folding the Sight:** To fold the sight, gently pull it upwards until it locks into the folded position. Ensure it is securely locked before storing.
3. **Unfolding the Sight:** To deploy the sight, pull it downwards until it clicks into the deployed position. Ensure it is locked in place before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for any recycling programs available for aluminum components.
