B.A. Sling Point for Ruger® Mini14® & Mini Thirty® Safety Instruction Guide

Introduction

Thank you for choosing the B.A. Sling Point for Ruger® Mini14® and Mini Thirty®. This product is designed to enhance your firearm's functionality and safety. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

General Safety Guidelines

- Ensure the product is installed and used according to the manufacturer's instructions to avoid potential hazards.
- Always verify that the firearm is unloaded before performing any installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with Ruger® Mini14® and Mini Thirty® models as specified in the product description.
- Do not exceed the weight limit of the sling attachment point.
- Inspect the sling point regularly for signs of wear or damage before each use.
- Ensure that all components are securely fastened before using the firearm.
- Avoid using the firearm in conditions that may compromise the integrity of the sling point, such as extreme weather or heavy impact situations.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is completely unloaded.
- Remove the existing gas block cap from your Ruger® Mini14® or Mini Thirty®.
- Align the B.A. Sling Point with the gas block.
- Secure the sling point in place according to the manufacturer's guidelines.
- Doublecheck that the sling point is fastened tightly and is stable.

2. Usage

- Attach your sling to the integrated sling attachment point.
- Ensure the sling is properly adjusted for comfort and safety.
- Always maintain proper firearm handling and safety practices while using the sling.
- If you notice any instability or malfunction during use, discontinue use immediately and inspect the product.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the B.A. Sling Point for Ruger® Mini14® and Mini Thirty®, please refer to the manufacturer's contact information provided with the product packaging or visit their official website for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority.
