B.A. Sling Point for Ruger® Mini14® & Ruger® Mini Thirty® Safety Instructions

Introduction

Thank you for choosing the B.A. Sling Point for your Ruger® Mini14® or Mini Thirty®. This product is designed to enhance your firearm's functionality while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the B.A. Sling Point is installed correctly before use.
- Always handle firearms with care and follow all safety protocols.
- Be aware of your surroundings and ensure that you are in a safe area when using firearms.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your equipment for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the B.A. Sling Point with compatible models: Ruger® Mini14® and Ruger® Mini Thirty®.
- Ensure that the gas block cap is securely attached before using your firearm.
- Do not exceed the manufacturer's specifications for your firearm when using the B.A. Sling Point.
- Avoid using the product in harsh environmental conditions that could affect its performance.
- If you notice any unusual behavior or malfunction during use, stop using the product immediately and inspect it.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition before installation.
- Remove the existing gas block cap from your Ruger® Mini14® or Mini Thirty®.
- Align the B.A. Sling Point with the gas block and gently press it into place until it is securely fitted.
- Verify that the Sling Point is firmly attached and does not move.

2. Usage:

- When using the B.A. Sling Point, ensure that the sling is securely attached to the point to avoid accidental detachment.
- Regularly check the attachment point for any signs of wear or looseness.
- Follow all firearm handling safety rules while using your Ruger® Mini14® or Mini Thirty®.

Disposal Instructions

- Dispose of the B.A. Sling Point according to local regulations concerning metal and firearm accessories.
- Do not throw away in regular household waste. Instead, take it to a designated recycling facility or hazardous waste collection site if applicable.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the B.A. Sling Point, please contact the manufacturer

or refer to the product packaging for further assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others are our top priority. Enjoy your enhanced Ruger® Mini14® or Mini Thirty® with the B.A. Sling Point!
