# Geissele Automatics Shop Apron Safety Instructions

## Introduction

Thank you for choosing the Geissele Automatics Shop Apron. This apron is designed for use by technicians and provides essential protection while working. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always inspect the apron for any damage or wear before use. Do not use if damaged.
- Keep the apron clean and free from any hazardous substances.
- Ensure the apron is worn correctly to provide maximum protection.
- Avoid using the apron near open flames or in environments with extreme heat.
- Store the apron in a dry place when not in use.

## Specific Safety Precautions for Use

- The apron is intended for adult use only. Keep it away from children.
- Do not use the apron as a substitute for personal protective equipment (PPE) when required.
- Be cautious when working with sharp tools or equipment while wearing the apron.
- Ensure that any pockets are emptied before moving to avoid accidents.
- If the apron becomes contaminated with chemicals, remove it immediately and follow proper decontamination procedures.

## Instructions for Installation and Usage

### 1. Wearing the Apron:

- Slip the apron over your head and adjust the neck strap for a comfortable fit.
- Secure the waist ties firmly around your waist to ensure the apron stays in place during use.

### 2. Using the Apron:

- Use the pockets to hold small tools and accessories, ensuring they are not overloaded.
- Avoid placing heavy or sharp objects in the pockets to prevent injury.

### 3. Cleaning the Apron:

- Clean the apron according to the manufacturer's instructions. Typically, it can be wiped down with a damp cloth.
- Do not machine wash unless specified, as this may damage the material.

### 4. Storing the Apron:

- After use, hang the apron in a dry area to prevent mildew or damage.
- Ensure that the apron is completely dry before storing it.

## Disposal Instructions

- When the apron reaches the end of its useful life, dispose of it according to local regulations.
- If the apron is contaminated with hazardous materials, follow appropriate hazardous waste disposal

procedures.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Geissele Automatics Shop Apron, please refer to the manufacturer's contact details provided with your product.

## **Conclusion**

Following these safety instructions will help ensure a safe working environment while using the Geissele Automatics Shop Apron. Always prioritize safety and feel free to reach out for any clarifications or additional support. Thank you for your attention to these important guidelines.
