Stable Cheekweld When Shooting, Maximum Compactness for Carry & Storage

The Law Tactical Gen 3-M Folding Stock Adapter paired with the Magpul® AR-15 CTR® stock is a winning combination that makes your AR more comfortable to shoot and easier to store and carry. Law Tactical's revolutionary Gen 3-M Folding Stock Adapter finally gives the AR-15 platform one feature it always lacked: the ability to fold the stock for the smallest possible profile during storage and carry. The CTR stock retains the general profile of the standard M4 carbine stock, while providing a more stable cheekweld, more sling attachment options, and a rubber recoil pad. Gen 3-M Folding Stock Adapter offers easy, single-button operation Adapter's sturdy steel locking latch keeps the stock solidly in place when extended CTR® stock's friction locking mechanism enables fast length-of-pull adjustments, then locks down tight for a solid feel without unwanted movement Stock fits both 4- and 6-position, mil-spec (1.14" O.D.) carbine buffer tubes Both the adapter and stock have non-reflective matte black finishes The Law Tactical Gen 3-M Folding Stock Adapter even lets you adjust the hinge tension so you can choose how stiff the mechanism is during folding / unfolding. Matched with the Magpul® CTR® stock, it provides a winning combination for making your rifle more portable AND more comfortable to shoot.

Consumer Safety Instruction Guide for AR15 CTR Stock Collapsible MilSpec with Folding Stock Adapter

Introduction

Thank you for choosing the AR15 CTR Stock Collapsible MilSpec with Folding Stock Adapter. This product is designed to enhance your shooting experience while ensuring safety and ease of use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always follow local laws and regulations regarding firearm accessories.
- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stock and adapter for wear or damage.
- Never use the stock or adapter for purposes other than intended.
- If you notice any defects or malfunctions, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Always ensure that the folding mechanism is securely locked before use.
- Adjust the hinge tension to your preference but ensure it is not too loose to avoid accidental folding.
- Use the friction locking mechanism to secure the length of pull; ensure it is locked in place before shooting.
- Avoid applying excessive force when folding or unfolding the stock.
- Be aware of your surroundings when using the firearm; ensure that the stock does not obstruct your view or movement.
- Do not attempt to modify the stock or adapter in any way.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Stock:** If applicable, use appropriate tools to remove the existing stock from the buffer tube.
3. **Attach the Folding Stock Adapter:**
 - Align the adapter with the buffer tube.
 - Securely tighten the adapter using the provided screws, ensuring it is firmly attached.
4. **Install the CTR Stock:**
 - Slide the CTR stock onto the folding stock adapter.
 - Lock the stock in place using the locking mechanism.

Usage

1. **Adjust Length of Pull:**
 - Press the friction locking mechanism to adjust the stock to your desired length.
 - Release the mechanism to lock it in place.
2. **Folding and Unfolding:**
 - To fold the stock, press the release button and gently fold the stock towards the receiver.
 - To unfold, pull the stock away from the receiver until it locks into place.
3. **Check Stability:** After installation and adjustments, ensure that the stock is stable and secure before

using the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not discard in regular household waste.
- Consider recycling options available for polymer materials.

Contact Information for Further Support
