

AR-15 HELICAL 1 PIECE GAS RING - LUTH-AR AR-15 HELICAL 1 PIECE GAS RING

[Rifle Parts](#) > [Bolt Parts](#) > [Gas Rings](#)

Helical 1 Piece - Gas Ring This gas ring is designed specifically for use with .223 caliber and 5.56 caliber ARs and is made from durable, high-quality materials. It is used to seal the gas in the gas tube and prevent gas from leaking out, ensuring that your AR operates smoothly and reliably. Luth-AR's .223/5.56 helical gas ring is easy to install and is compatible with .223 caliber and 5.56 caliber ARs. Whether you are replacing worn or damaged gas rings or just looking to upgrade your AR, Luth-AR's .223/5.56 helical gas ring is a reliable and effective choice.

Safety Instruction Guide for AR15 Helical 1 Piece Gas Ring

Introduction

Thank you for choosing the AR15 Helical 1 Piece Gas Ring by LuthAR. This product is designed to enhance the performance of your AR15 firearm by ensuring a reliable gas seal. Please read this safety instruction guide carefully to ensure safe and effective use of the gas ring.

General Safety Guidelines

- Ensure that all firearm components are compatible before installation.
- Always handle firearms safely and responsibly.
- Keep the gas ring out of reach of children and unauthorized users.
- Regularly inspect the gas ring for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the gas ring with .223 caliber and 5.56 caliber ARs.
- Do not attempt to modify the gas ring in any way.
- Avoid using the gas ring if it shows signs of damage or excessive wear.
- Always wear appropriate eye protection when handling or shooting firearms.
- Ensure that the firearm is unloaded before performing any maintenance or installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a cleaning cloth and a small punch tool (if needed).

2. Installation:

- Remove the existing gas ring from the bolt carrier group (BCG) if applicable.
- Clean the area where the gas ring will be installed to ensure a proper seal.
- Carefully slide the new helical gas ring onto the BCG.
- Ensure that the gas ring is seated properly and is not pinched or damaged during installation.

3. Usage:

- After installation, perform a function check of the firearm to ensure proper operation.
- Regularly inspect the gas ring during routine maintenance checks.
- Replace the gas ring if it becomes worn or damaged.

Disposal Instructions

- Dispose of the gas ring according to local regulations for nonhazardous materials.
- Do not dispose of the gas ring in regular household waste if it is damaged or contains hazardous materials.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please reach out to your local dealer or the manufacturer's customer service.

By following these guidelines, you can ensure the safe use of the AR15 Helical 1 Piece Gas Ring and maintain the performance of your firearm. Thank you for your attention to safety and for choosing LuthAR products.
