### **BLACK**

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MBA-3 adjustable Rifle Buttstock Assembly is a complete kit that includes everything you need to assemble a carbine buffer system on your .223/5.56 AR lower. The kit includes an MBA-3 Buttstock that features a 3-Axis Buttplate with Length-of-Pull adjustment as well as Height and Lateral adjustments, and an adjustable Cheek Rise in a lightweight, affordable carbine buttstock. Comes complete with Mil-Spec 6-position carbine Buffer Tube, .223/5.56 Buffer, Buffer Spring, Latch Plate and Lock Ring. The modular design of the MBA Buttstock allows you to configure your buttstock to your specific and personal needs. The MBA features multiple attachment points for a sling, including molded pockets that will accept Grovtec QD cups, sold separately.

# Safety Instruction Guide for MBA3 Buttstock Assembly

## Introduction

Thank you for choosing the MBA3 Buttstock Assembly. This product is designed to enhance your shooting experience while ensuring your safety and the safety of others. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

## General Safety Guidelines

- Always follow local laws and regulations regarding firearm modifications and usage.
- Ensure that you are familiar with the operation of your firearm before installing the MBA3 Buttstock Assembly.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep this product out of reach of children and unauthorized users.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Use proper safety gear, including eye and ear protection, when handling firearms.

## Specific Safety Precautions for Use

- Ensure that the MBA3 Buttstock Assembly is securely attached to your firearm before use.
- Do not exceed the recommended weight limit for the buttstock.
- Avoid using the buttstock in extreme weather conditions that may affect performance.
- Regularly check all components of the buttstock assembly for wear and tear.
- If you experience any malfunctions while using your firearm with the MBA3 Buttstock, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure that your firearm is unloaded before beginning installation.
- Remove the existing buttstock from your firearm by unscrewing the buffer tube.
- Align the MBA3 Buttstock with the buffer tube and slide it into place.
- Secure the buttstock by tightening the locking mechanism according to the manufacturer's instructions.
- Check that the buttstock is firmly attached and does not wobble.

### 2. Usage Instructions:

- Adjust the length of pull using the 3Axis Buttplate to suit your preference.
- Make height and lateral adjustments as necessary for comfort.
- Utilize the adjustable Cheek Rise for optimal sight alignment.
- Ensure that any slings or attachments are securely fastened to the designated points.

## Disposal Instructions

- Dispose of the MBA3 Buttstock Assembly responsibly and in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling the plastic components where facilities exist.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the MBA3 Buttstock Assembly, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MBA3 Buttstock Assembly. Always prioritize safety and responsible use when handling firearms. Thank you for your attention to these important safety measures.
