

# MBA-4 CARBINE BUTTSTOCK WITH CHEEK REST - LUTH-AR MBA-4 CARBINE BUTTSTOCK WITH CHEEK REST BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Luth-AR Modular Buttstock Assembly (MBA) for AR style carbines is designed to replace the standard buttstock on your AR. The MBA-4 with Cheek Rise is designed to work with a 6-position Mil-Spec or Commercial buffer tube. The MBA-4 with Cheek Rise is a direct replacement a standard adjustable carbine buttstock with an adjustable Cheek Rise in a low-cost, lightweight, strong and high-quality design. The MBA-4 requires a Carbine buffer tube, either Mil-Spec or Commercial. Please review the information provided in the Requirements tab. This stock works with both carbine Commercial and Mil-Spec tubes/assemblies. The MBA-4 also features an anti-rattle set screw. The modular design of the MBA Buttstock allows you to configure your buttstock to your specific and personal needs. Built-in rail attachment for attaching a monopod. The MBA features multiple attachment points for a sling, including molded pockets that will accept Grovtec QD cups, sold separately.

# Safety Instruction Guide for MBA4 Carbine Buttstock with Cheek Rest

## Introduction

Thank you for choosing the LuthAR MBA4 Carbine Buttstock with Cheek Rest. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the buttstock.
- Use the product only as intended. This buttstock is designed for AR style carbines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the buttstock for any signs of wear or damage. Do not use if damaged.
- Familiarize yourself with the local laws and regulations regarding firearm accessories.
- Report any unsafe product experiences to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the MBA4 Carbine Buttstock is securely attached to the buffer tube before use.
- Do not exceed the weight limit specified by the manufacturer when attaching accessories.
- Use the antirattle set screw to prevent movement during use.
- Be cautious of sharp edges during installation and adjustments.
- Always wear appropriate safety gear when handling firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that you have a compatible 6position MilSpec or Commercial buffer tube.
- Remove the existing buttstock from the buffer tube if applicable.
- Slide the MBA4 Buttstock onto the buffer tube until it is fully seated.
- Adjust the buttstock to the desired position and secure it by tightening the set screw.
- Check that the buttstock is firmly attached and does not wobble.

### 2. Usage

- Adjust the Cheek Rise to your comfort level before using the firearm.
- Ensure that all attachments (e.g., sling, monopod) are securely fastened.
- Practice safe shooting habits, including keeping the muzzle pointed in a safe direction.

## Disposal Instructions

- Dispose of the MBA4 Carbine Buttstock in accordance with local regulations for plastic waste.
- If the product is damaged or no longer usable, consider recycling options where available.
- Do not dispose of the product in household waste if it can be recycled.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the MBA4 Carbine Buttstock with Cheek Rest, please

refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety and compliance while using the LuthAR MBA4 Carbine Buttstock. Enjoy your shooting experience!
