# Safety Instruction Guide for LEVER STOCK G10 PISTOL GRIPS

## Introduction

Thank you for choosing the LEVER STOCK G10 PISTOL GRIPS from Midwest Industries. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully before using the grips.

## General Safety Guidelines

- Ensure that the product is suitable for your specific Lever Gun model.
- Always inspect the grips before installation for any signs of damage or defects.
- Follow all installation instructions carefully to avoid improper fitting.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified by the manufacturer.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the grips if they show signs of wear or damage.
- Ensure that all hardware used for installation is secure and in good condition.
- Avoid using the grips in extreme weather conditions that may affect performance.
- Do not modify the grips in any way, as this may compromise safety.
- Always wear appropriate safety gear when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components required for installation.
- Ensure that your work area is clean and free from distractions.

### 2. Installation Steps

- Remove the existing grip panel from your Lever Gun using appropriate tools.
- Align the LEVER STOCK G10 PISTOL GRIP with the grip mounting area.
- Secure the grip using the existing grip panel hardware. Ensure all screws are tightened but do not overtighten to avoid damaging the grip.
- Inspect the installation to confirm that the grip is securely attached.

### 3. Usage

- Familiarize yourself with the feel and handling of the new grips before using the firearm in a live setting.
- Always handle your firearm safely and responsibly, following all applicable laws and regulations.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the grips become damaged beyond repair, dispose of them in a way that prevents any potential hazards to the environment or public safety.
