Safety Instruction Guide for LEVER STOCK G10 PISTOL GRIPS

Introduction

Thank you for choosing the LEVER STOCK G10 PISTOL GRIPS from Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this manual carefully before use to understand the potential hazards and how to mitigate them.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always inspect the product for any signs of damage or wear before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents involving the product to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about safety notices.

Specific Safety Precautions for Use

- Use the LEVER STOCK G10 PISTOL GRIPS only with Midwest Industries Lever Gun models.
- Do not attempt to modify or alter the grips in any way.
- Ensure that the grips are installed securely to prevent accidental detachment during use.
- Avoid exposure to extreme temperatures and harsh chemicals, which may compromise the integrity of the G10 material.
- Always wear appropriate safety gear when handling firearms, including eye protection and ear protection.

Instructions for Installation and Usage

1. Preparation for Installation

- Gather necessary tools: a screwdriver compatible with the existing grip panel hardware.
- Ensure that your workspace is clean and free from distractions.

2. Installation Steps

- Remove the existing grip panels from your Lever Gun using the screwdriver.
- Align the LEVER STOCK G10 PISTOL GRIPS with the grip mounting points on the firearm.
- Secure the grips in place using the original grip panel hardware. Ensure all screws are tightened adequately but do not overtighten to avoid damaging the grips.

3. Usage Instructions

- Once installed, perform a thorough check to ensure that the grips are securely attached and that the firearm operates correctly.
- Familiarize yourself with the feel and handling of the firearm with the new grips before engaging in any shooting activities.
- Always follow standard firearm safety practices during use, including keeping the firearm pointed in a safe direction and keeping your finger off the trigger until ready to shoot.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the grips become damaged beyond repair, contact a local waste management service for guidance on disposal.

proper disposal methods for composite materials.

Contact Information for Further Support

For inquiries regarding safety, installation, or product support, please reach out to your retailer or the manufacturer. Ensure that you have your product details at hand for a more efficient response.

Thank you for prioritizing safety and for choosing Midwest Industries!
