AK ALPHA MINI DOT MOUNT T2 Safety Instruction Guide

Introduction

Thank you for purchasing the AK ALPHA MINI DOT MOUNT T2 by Midwest Industries. This product is designed to allow for the mounting of red dot sights on T2 bases, specifically for AK47 and AK74 rear sights. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with your firearm and its operation before installing the AK ALPHA MINI DOT MOUNT T2.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the mount for any signs of wear or damage before use.
- If you encounter any issues with the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Do not modify the mount or your firearm in any way that could compromise safety.
- Ensure the mount is securely attached before using the firearm.
- Use the mount only with compatible red dot sights as specified by the manufacturer.
- Be aware of the potential for sidetoside play if the mount is not properly installed.
- Always use eye protection when handling firearms equipped with optics.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (not included) for installation.

2. Installation

- Remove the factory rear sight from your AK47 or AK74.
- Align the AK ALPHA MINI DOT MOUNT T2 with the rear sight mounting area.
- Secure the mount using the provided steel locking blocks. Ensure that it is tightly fitted to minimize movement.
- Check the alignment of the mount before proceeding to attach your red dot sight.

3. Usage

- Once the mount is installed, attach your red dot sight according to the sight manufacturer's instructions.
- Confirm that the red dot sight is securely mounted and properly calibrated.
- After installation, perform a function check to ensure that the mount does not interfere with the operation of the firearm.

4. PostInstallation Check

- Periodically check that the mount remains secure and free from damage.
- Ensure that you can still perform full field stripping of your AKM pattern rifle.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product is no longer in use, please consider recycling it where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the AK ALPHA MINI DOT MOUNT T2, please contact the manufacturer or your local retailer for assistance. It is important to ensure you have all necessary information and support for safe operation.

By following these guidelines, you can ensure the safe use of your AK ALPHA MINI DOT MOUNT T2. Thank you for prioritizing safety and compliance with applicable regulations.
