AK12 Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the AK12 Muzzle Brake by Midwest Industries. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product correctly and safely.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the muzzle brake is compatible with your firearm's specifications.
- Use the muzzle brake only as intended and follow all manufacturer instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for signs of damage or excessive wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or damage to the firearm.
- Use of the product with incompatible thread pitches may cause safety issues.
- Excessive heat generated during use can affect the performance of the muzzle brake.

- **Avoiding Hazards:**

- Always verify the thread pitch before installation.
- Do not exceed the manufacturer's recommended usage limits.
- Allow the muzzle brake to cool down after extended use before handling.

- **AudienceSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18.
- Ensure that all users are trained in firearm safety and operation.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Clean the muzzle threads of any debris or old thread sealant.
3. Align the muzzle brake with the firearm's muzzle, ensuring the correct thread pitch (M14X1LH).
4. Handtighten the muzzle brake onto the threads.
5. Use a wrench to secure the muzzle brake, but do not overtighten.
6. Install the new crush washer as per the manufacturer's instructions.

- **Usage:**

- Always ensure the firearm is in a safe condition before firing.
- Observe all firearm safety practices while using the muzzle brake.
- Monitor the muzzle brake for any signs of loosening or damage during use.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the AK12 Muzzle Brake, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the AK12 Muzzle Brake. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
