# Safety Instruction Guide for Wilson Combat P365 XMacro Short Grip Module

## Introduction

Thank you for choosing the Wilson Combat P365 XMacro Short Grip Module. This product is designed to enhance your shooting experience and improve the concealed carry potential of your SIGSAUER P365 XMacro. To ensure safe and effective use, please read and follow all safety guidelines and instructions provided in this manual.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and grip module in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your grip module for signs of wear or damage.
- Do not use the grip module if it shows any signs of damage or wear.
- Ensure that you are using compatible ammunition and accessories with your firearm.
- Familiarize yourself with local laws and regulations regarding firearm ownership and concealed carry.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.
- **Manual Safety:** This grip module does not include a manual safety. Always be aware of this feature and handle the firearm with extra caution.
- **Recoil Management:** The design of the grip module aids in recoil control. However, practice proper shooting techniques to maximize safety and performance.
- **Environmental Considerations:** Avoid using the grip module in wet or slippery conditions, as this may affect grip performance.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Before starting, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Grip:** Carefully remove the existing grip module from your SIGSAUER P365 XMacro by following the manufacturer's instructions.
3. **Prepare the New Grip Module:** Unpack the Wilson Combat P365 XMacro Short Grip Module and inspect it for any visible damage.
4. **Attach the New Grip Module:** Align the grip module with the firearm frame and press firmly until it clicks into place. Ensure that it is securely attached.
5. **Check Compatibility:** Confirm that the magazine release, spring, and lock are properly installed and functional.

### Usage Instructions

- **Grip Technique:** Use the upgraded, highcut 1911style beavertail grip tang for smooth draws. Ensure your grip is firm but not overly tight.
- **Shooting Practice:** Regularly practice shooting with the new grip module to become accustomed to its feel and performance.
- **Accessory Compatibility:** The grip module is compatible with all standard P365XMACRO holsters and most standard P365 & P365XL holsters. Ensure you are using the correct holster for your firearm.

## **Disposal Instructions**

- Dispose of the grip module responsibly in accordance with local regulations.
- Do not dispose of the grip module in regular household waste. Instead, contact your local waste management facility for proper disposal options.

## **Contact Information for Further Support**

For any questions regarding the Wilson Combat P365 XMacro Short Grip Module, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your Wilson Combat P365 XMacro Short Grip Module. Thank you for your attention to safety, and enjoy your enhanced shooting experience!
