WCP365 XMACRO Short Grip Module Safety Instructions

Introduction

Thank you for choosing the WCP365 XMACRO Short Grip Module from Wilson Combat. This product is designed to enhance your shooting experience and provide improved control and comfort during use. Please read this safety instruction guide carefully to ensure safe handling, installation, and usage of the grip module.

General Safety Guidelines

To ensure safe use of the WCP365 XMACRO Short Grip Module, please follow these general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store the firearm and grip module securely and out of reach of children.
- Use the grip module only with compatible firearms as specified in the product description.
- Regularly inspect the grip module for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

When using the WCP365 XMACRO Short Grip Module, it is essential to observe the following safety precautions:

- Ensure that the firearm is unloaded before installing or adjusting the grip module.
- Do not attempt to modify the grip module or firearm beyond the manufacturer's recommendations.
- Avoid using the grip module in wet or slippery conditions which may affect grip and control.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- If you experience any issues while using the grip module, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Follow these steps to install and use the WCP365 XMACRO Short Grip Module safely:

1. Unloading the Firearm:

- Ensure the firearm is completely unloaded. Remove the magazine and check the chamber.

2. Removing the Existing Grip:

- Carefully remove the existing grip module from the firearm according to the manufacturer's instructions.

3. Installing the New Grip Module:

- Align the WCP365 XMACRO Short Grip Module with the firearm frame.
- Press the grip module into place until it is securely fitted.
- Ensure that all components are properly aligned and that the grip module is firmly attached.

4. Checking Compatibility:

- Confirm that the installed grip module is compatible with your specific model of the SIGSAUER P365 XMacro.

5. Testing the Installation:

- Before using the firearm, check the grip module for stability and ensure it is securely attached.

6. Using the Grip Module:

- Hold the firearm with a proper grip, ensuring your fingers are clear of the trigger until you are ready to fire.
- Practice safe shooting techniques and maintain awareness of your surroundings.

Disposal Instructions

When disposing of the WCP365 XMACRO Short Grip Module, please follow these guidelines:

- Do not dispose of the grip module in regular household waste.
- Check local regulations for proper disposal methods for polymer materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the WCP365 XMACRO Short Grip Module, please refer to the manufacturer's contact information provided with your product. It is essential to seek assistance from qualified professionals if you have any safetyrelated questions or issues.

By following these safety instructions, you can ensure a safe and enjoyable experience with your WCP365 XMACRO Short Grip Module. Thank you for your attention to safety.
