# Safety Instruction Guide for WCP365 XMACRO Grip Module

## Introduction

Thank you for choosing the WCP365 XMACRO Grip Module by Wilson Combat. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new grip module. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a grip module for the SIGSAUER P365 XMacro.
- Keep the grip module out of reach of children and unauthorized users.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Regularly inspect the grip module for any signs of wear or damage before each use.
- If the grip module appears damaged or defective, do not use it and contact a qualified professional for evaluation.

## Specific Safety Precautions for Use

- Do not use the grip module if you are unfamiliar with firearms or have not received proper training.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Ensure that the grip module is securely attached to the firearm before handling.
- Avoid using the firearm in wet or slippery conditions, as this may affect grip performance.
- If you experience discomfort or difficulty in handling the firearm with the grip module, discontinue use immediately.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

## Instructions for Installation and Usage

### 1. Installation

- Remove the magazine and ensure the firearm is unloaded.
- Follow the manufacturer's instructions for removing the existing grip module from the SIGSAUER P365 XMacro.
- Align the WCP365 XMACRO Grip Module with the firearm frame.
- Securely attach the grip module, ensuring it is firmly in place.
- Reinstall any necessary components, such as the magazine release, spring, and lock, as per the manufacturer's guidelines.

### 2. Usage

- Hold the firearm with a firm grip, utilizing the ergonomic features of the grip module.
- Practice safe shooting techniques and always be aware of the muzzle direction.
- Regularly clean and maintain the grip module for optimal performance.

## Disposal Instructions

- Dispose of the grip module responsibly in accordance with local regulations.
- Do not throw the grip module in regular household waste.
- If the grip module is damaged beyond use, consider recycling options or consult local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the WCP365 XMACRO Grip Module, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your WCP365 XMACRO Grip Module. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important details.
