WCP365 XMACRO Grip Module Safety Instructions

Introduction

Thank you for choosing the WCP365 XMACRO Grip Module by Wilson Combat. This guide provides essential safety instructions to ensure the safe use and handling of your new grip module. Please read this manual carefully to maximize your safety and the performance of your firearm.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of your grip module by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recalls related to this product by checking the EU's Safety Gate platform.
- **Online Shopping:** When purchasing online, ensure that the seller adheres to all safety requirements.
- **Consumer Focus:** This product is not intended for use by individuals under the age of 18. Ensure that it is stored safely away from children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Monitor the Safety Gate system for updates on any safety concerns related to this product.

Specific Safety Precautions for Use

- **Proper Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Installation:** Ensure that the grip module is installed correctly to avoid any operational issues.
- **Shooting Environment:** Only use the grip module in safe and designated shooting areas.
- **Personal Protective Equipment:** Always wear appropriate eye and ear protection when shooting.
- **Maintenance:** Regularly inspect the grip module for wear and tear. Do not use the grip module if it shows signs of damage.
- **Training:** Seek professional training on firearm safety and handling if you are not experienced.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before beginning the installation process.
- Remove the existing grip module from your SIGSAUER P365 XMacro according to the manufacturer's instructions.
- Align the Wilson Combat P365 XMacro grip module with the firearm's frame.
- Securely attach the grip module, ensuring that it fits snugly and is properly seated.
- Test the grip module by performing a function check to ensure proper operation.

2. Usage:

- When using the firearm equipped with the WCP365 XMACRO grip module, maintain a firm grip to enhance control and accuracy.
- Be aware of the modified backstrap shape for natural pointing and enhanced grip. Adjust your grip as necessary for comfort and control.
- Utilize the internal slots for rodstyle tungsten weights if desired to balance the firearm according to your preferences.

Disposal Instructions

- Dispose of the grip module and any associated packaging in accordance with local regulations.
- Do not dispose of the grip module in regular household waste. Instead, consider recycling options or consult local waste management for appropriate disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the WCP365 XMACRO Grip Module, please reach out to your local retailer or the designated EU contact point for this product. Always ensure you have the latest information regarding safety and usage.

By following these guidelines, you can ensure a safer shooting experience with the WCP365 XMACRO Grip Module. Thank you for your attention to safety.
