

# SNAP CAPS FOR RIFLE CARTRIDGES - CARLSONS SNAP CAPS 6.5 CREEDMOOR ALUMINUM 2/PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

## Dry Fire Without Damaging Your Firearm

Snap caps are great for dry fire practice because they let you concentrate on keeping the firearm steady during the trigger pull, which helps eliminate flinch when using live ammo. Pistol and Rifle caps have a solid aluminum body and a spring-loaded brass "primer" that absorbs firing pin impact to prevent damage to the tip of the firing pin.

## Attributes

- Name: [CARLSONS SNAP CAPS 6.5 CREEDMOOR ALUMINUM 2/PACK](#)

# Safety Instruction Guide for Carlson's Snap Caps

## 6.5 Creedmoor

### Introduction

Thank you for choosing Carlson's Snap Caps for your dry fire practice. These snap caps are designed to help you improve your shooting skills safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use snap caps only in a safe and controlled environment.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep the snap caps out of reach of children and unauthorized users.
- Regularly inspect the snap caps for any signs of wear or damage before use.
- Report any unsafe products or accidents immediately to the relevant authorities.

### Specific Safety Precautions for Use

- Do not use snap caps as live ammunition.
- Ensure the firearm is unloaded before inserting the snap caps.
- Use snap caps only in firearms that are compatible with the 6.5 Creedmoor cartridge.
- Avoid using snap caps in firearms that are not designed for dry fire practice.
- Be aware of your surroundings and ensure that no one is in the line of fire when practicing.
- Always follow the manufacturer's instructions for your specific firearm.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure that your firearm is completely unloaded.
- Check the chamber and magazine to confirm there are no live rounds.

#### 2. Inserting Snap Caps

- Take a snap cap from the package.
- Insert the snap cap into the chamber of the firearm just as you would with a live round.
- If using a magazine, load the snap caps into the magazine according to the manufacturer's instructions.

#### 3. Dry Fire Practice

- With the snap cap in place, practice your trigger pull and aim as you would with live ammunition.
- Focus on maintaining a steady grip and proper sight alignment.
- After practice, remove the snap cap from the chamber or magazine.

#### 4. PostUse Inspection

- After each practice session, inspect the snap caps for any signs of damage.
- Replace any damaged snap caps immediately to ensure safe use.

## **Disposal Instructions**

- Dispose of damaged or worn snap caps in accordance with local regulations.
- Do not throw snap caps in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of Carlson's Snap Caps, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for additional support.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safer and more effective dry fire practice experience.
