

SNAP CAPS FOR RIFLE CARTRIDGES - CARLSONS SNAP CAPS 308 WINCHESTER ALUMINUM 2/PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

Dry Fire Without Damaging Your Firearm

Snap caps are great for dry fire practice because they let you concentrate on keeping the firearm steady during the trigger pull, which helps eliminate flinch when using live ammo. Pistol and Rifle caps have a solid aluminum body and a spring-loaded brass "primer" that absorbs firing pin impact to prevent damage to the tip of the firing pin.

Safety Instruction Guide for Carlson's Snap Caps 308 Winchester

Introduction

Thank you for purchasing Carlson's Snap Caps for Rifle Cartridges. These snap caps are designed for dry fire practice, allowing you to improve your shooting technique without the use of live ammunition. This guide provides important safety information and instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use snap caps only in accordance with the manufacturer's instructions.
- Keep snap caps out of reach of children and unauthorized users.
- Inspect snap caps for damage before each use.
- Do not use snap caps in livefire situations.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before inserting a snap cap.
- Do not attempt to fire a snap cap from a firearm that is not designed for its use.
- Be aware of your surroundings and ensure a safe environment when practicing.
- If you experience any malfunction with the snap cap, discontinue use immediately and inspect the product.
- Avoid using snap caps that show signs of wear or damage.

Instructions for Installation and Usage

1. Loading the Snap Caps:

- Ensure your firearm is pointed in a safe direction.
- Open the action of your firearm.
- Insert the snap cap into the chamber or magazine as you would with a live cartridge.

2. Dry Fire Practice:

- With the snap cap loaded, practice your trigger pull and sight alignment.
- Focus on maintaining a steady grip and proper stance.
- Repeat the process as needed, ensuring to check the snap cap for damage after each session.

3. Unloading the Snap Caps:

- After practice, open the action of your firearm.
- Remove the snap cap and inspect it for any signs of damage.
- Store the snap caps in a safe location, away from children and unauthorized users.

Disposal Instructions

- Dispose of damaged or worn snap caps in accordance with local regulations.
- Do not dispose of snap caps in regular household waste if they are damaged; check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of Carlson's Snap Caps, please refer to the product packaging for contact details or consult the manufacturer's website for additional support.

Please remember that practicing with snap caps is a safe way to improve your shooting skills, but safety should always be your top priority. Thank you for choosing Carlson's Snap Caps.
