

# SNAP CAPS FOR PISTOL CARTRIDGES - CARLSONS SNAP CAPS 45 ACP ALUMINUM 5/PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Cartridge Dummies](#)

## Dry Fire Without Damaging Your Firearm

Snap caps are great for dry fire practice because they let you concentrate on keeping the firearm steady during the trigger pull, which helps eliminate flinch when using live ammo. Centerfire Pistol and Rifle caps have a solid aluminum body and a spring-loaded brass "primer" that absorbs firing pin impact to prevent damage to the tip of the firing pin.

## Attributes

- Name: [CARLSONS SNAP CAPS 45 ACP ALUMINUM 5/PACK](#)

# SNAP CAPS FOR PISTOL CARTRIDGES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing Carlson's Snap Caps for your dry fire practice. This guide provides essential safety information to ensure the safe and effective use of your snap caps. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Use snap caps only in firearms specifically designed for their use.
- Do not use snap caps with live ammunition.
- Keep snap caps out of reach of children and unauthorized users.
- Inspect snap caps before each use for any signs of damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before inserting snap caps.
- Use snap caps in a safe and controlled environment, away from others.
- Avoid using snap caps in firearms that are not compatible with the .45 Auto (ACP) cartridge.
- Do not attempt to modify or alter snap caps in any way.
- Be aware that the brass "primer" is springloaded; handle with care to avoid injury.
- Do not use snap caps in any manner other than intended for dry fire practice.

## Instructions for Installation and Usage

### 1. Preparing the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Remove any live ammunition from the firearm.
- Open the action of the firearm to confirm it is empty.

### 2. Inserting the Snap Caps:

- Take a snap cap from the package.
- Insert the snap cap into the chamber of the firearm as you would with a live round.
- Close the action of the firearm securely.

### 3. Dry Fire Practice:

- Practice your trigger pull technique without flinching.
- Focus on maintaining a steady aim while pulling the trigger.
- After practice, remove the snap caps from the chamber.

### 4. PostUse:

- Always inspect snap caps for wear or damage after use.
- Store snap caps in a safe, dry location when not in use.

## **Disposal Instructions**

- Dispose of damaged or worn snap caps according to local regulations.
- Do not dispose of snap caps in regular household waste if they are damaged; check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of your snap caps, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your dry fire practice with Carlson's Snap Caps!
