

INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES - CARLSONS INVECTOR PLUS 12 GA LIGHT MODIFIED BROWNING CHOKE TUBE SS

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Tight, Consistent Patterns, Less Shot Deformation

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

Attributes

Safety Instruction Guide for INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES CARLSONS INVECTOR PLUS 12 GA LIGHT MODIFIED BROWNING CHOKE TUBE SS

Introduction

Thank you for choosing the Invector Plus 12 Gauge Sporting Clays Browning Invector Choke Tubes by Carlson's. This guide provides important safety instructions and information to ensure the safe use and handling of this product. Please read this guide carefully before using the choke tube.

General Safety Guidelines

- Ensure that the choke tube is compatible with your shotgun model before installation.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the choke tube out of reach of children and unauthorized users.
- Inspect the choke tube for any signs of damage or wear before each use.
- Do not use the choke tube if it is damaged or if you are unsure of its condition.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure that the area is safe before firing.

Specific Safety Precautions for Use

- **Compatibility:** Confirm that the choke tube is designed for use with Browning InvectorPlus shotguns.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting.
- **Shooting Conditions:** Use the choke tube only in suitable shooting conditions. Avoid extreme weather or environmental conditions that may affect performance.
- **Ammunition:** The choke tube can be used with steel shot; however, check your shotgun's specifications for compatibility with steel shot ammunition.
- **Handling:** Always treat the firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Storage:** Store the choke tube in a dry, cool place when not in use. Avoid exposure to moisture and corrosive environments.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use the appropriate tool to remove the existing choke tube if applicable.
- Clean the threads of the choke tube and the shotgun barrel before installation.
- Carefully screw the Invector Plus choke tube into the shotgun barrel until it is securely fitted.
- Use the tool provided to tighten the choke tube, ensuring it is snug but not overtightened.

2. Usage:

- Load the shotgun according to the manufacturer's instructions.
- Aim carefully and ensure the target area is clear before firing.
- After use, unload the shotgun and remove the choke tube for cleaning if necessary.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations.
- If the choke tube is damaged beyond repair, do not attempt to reuse it.
- Recycle materials where possible, ensuring that any hazardous materials are disposed of safely.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Invector Plus 12 Gauge Sporting Clays Browning Invector Choke Tubes by Carlson's, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safer shooting experience with your Invector Plus choke tube. Always prioritize safety for yourself and others around you. Thank you for your attention to these important guidelines.
