

# **INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES - CARLSONS INVECTOR PLUS 12 GA MODIFIED BROWNING CHOKE TUBE SS**

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

## **Tight, Consistent Patterns, Less Shot Deformation**

Longer parallel section than Carlson's conventional tubes gives consistent shot patterns. Extra smooth interior surface minimizes shot deformation. Laser marked constriction provides fast identification. External knurled ring extends approximately 3/4" from end of barrel for fast changes between stations. Can be used with steel shot.

## **Attributes**

- Name: [CARLSONS INVECTOR PLUS 12 GA MODIFIED BROWNING CHOKE TUBE SS](#)

# INVECTOR PLUS 12 GAUGE SPORTING CLAYS BROWNING INV. CHOKE TUBES SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the Invector Plus 12 Gauge Sporting Clays Browning Choke Tubes by Carlson's. This safety instruction guide is designed to ensure your safe and effective use of this product. Please read all instructions carefully before using the choke tubes.

## General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model before use.
- Always handle firearms and accessories with care and follow standard safety practices.
- Store choke tubes in a dry place and away from children.
- Regularly inspect choke tubes for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation or use may result in malfunction or injury.
- Using incompatible choke tubes can lead to damage to your firearm.
- Always ensure the shotgun is unloaded before installing or removing choke tubes.

### • Instructions for Avoiding Hazards:

- Follow the manufacturer's instructions carefully during installation.
- Use only recommended ammunition types, including steel shot.
- Avoid using damaged or worn choke tubes.
- Never attempt to modify the choke tubes or use them for purposes other than intended.

## Instructions for Installation and Usage

### • Installation:

1. Ensure your shotgun is completely unloaded.
2. Using a wrench, remove the existing choke tube by turning it counterclockwise.
3. Clean the threads of the shotgun barrel to ensure proper fit.
4. Insert the new Invector Plus choke tube into the barrel and turn it clockwise until snug.
5. Use the wrench to tighten the choke tube, ensuring it is secure but not overtightened.

### • Usage:

- Confirm that the choke tube is properly installed before each use.
- Follow the recommended guidelines for shot types and sizes.
- When changing choke tubes at the shooting range, ensure the shotgun is pointed in a safe direction.
- Always wear appropriate eye and ear protection while shooting.

## **Disposal Instructions**

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not discard choke tubes in regular household waste. Instead, check with local recycling or hazardous waste facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the use of the Invector Plus 12 Gauge Sporting Clays Browning Choke Tubes, please contact the manufacturer or your retailer for support.

By following these safety instructions, you can help ensure your safety and the safety of others while using the Invector Plus choke tubes. Thank you for your attention to these important guidelines.
