

# TSS TURKEY FOR REMINGTON CHOKE TUBES - CARLSONS TSS TURKEY 20 GA FOR REMINGTON BLACK

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Carlson's TSS Turkey Choke Tubes are optimized for Federal Premium® Heavyweight® TSS Turkey Loads but also work exceptionally well with other manufacturer's turkey ammunition (Smaller shot size 7-9). The Federal Premium's Heavyweight TSS Turkey Load has an incredibly high pellet count in both 7 and 9 shot, along with the ability to carry energy further, makes them ideal for .410, 20ga, and 12ga. Tungsten Super Shot (TSS) has a 22% heavier density than heavyweight shot and a 56% heavier density than traditional lead shot. It puts the maximum amount of pellets possible in a 10" circle at 40 yds. The Heavyweight TSS shells will include the Flite Control Flex™ wad that gives hunters the ability to shoot any choke tube they prefer. Long-range turkeys don't stand a chance. \*No Steel Shot Larger than #4 may be used in Carlson's Turkey Choke Tubes

## Attributes

- Name: [CARLSONS TSS TURKEY 20 GA FOR REMINGTON BLACK](#)
- Manufacturer: [CARLSONS](#)
- Product no.: 430107945
- Mfr. No.: 38003

# TSS Turkey Choke Tubes Safety Instruction Guide

## Introduction

Thank you for choosing the TSS Turkey Choke Tubes by Carlson's. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your choke tubes. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always handle choke tubes with care to avoid injury.
- Store choke tubes in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the choke tubes for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of choke tubes and ammunition.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Use appropriate personal protective equipment (PPE), such as eye and ear protection, when using firearms.

## Specific Safety Precautions for Use

- Only use Carlson's TSS Turkey Choke Tubes with compatible ammunition. This product is optimized for Federal Premium® Heavyweight® TSS Turkey Loads and smaller shot sizes (79).
- Do not use steel shot larger than #4 in Carlson's Turkey Choke Tubes, as this may lead to damage or malfunction.
- Ensure that the choke tube is properly installed and secured in the shotgun before use.
- When shooting, maintain a safe distance from other individuals and ensure that the shooting range is clear.
- Be aware of the increased density of Tungsten Super Shot (TSS) compared to traditional lead shot, which may affect shooting dynamics.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the shotgun is unloaded before beginning installation.
- Select the appropriate choke tube for your specific needs (e.g., turkey hunting).
- Insert the choke tube into the muzzle of the shotgun and handtighten it until secure. Do not overtighten.
- Doublecheck that the choke tube is properly seated and secure before loading ammunition.

### 2. Usage:

- Load the shotgun with compatible ammunition (Federal Premium® Heavyweight® TSS Turkey Loads or small shot sizes 79).
- Aim at the target while ensuring that the shooting area is safe and clear.
- Fire the shotgun while maintaining a firm grip and proper stance.
- After use, unload the shotgun and remove the choke tube for cleaning and storage.

## Disposal Instructions

- Dispose of any used or damaged choke tubes in accordance with local regulations regarding hazardous waste.
- Do not dispose of choke tubes in regular household waste. Check with local authorities for proper disposal

methods.

## Contact Information for Further Support

For any questions or concerns regarding the use of Carlson's TSS Turkey Choke Tubes, please refer to the manufacturer's website or contact customer support directly.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience while using Carlson's TSS Turkey Choke Tubes. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety measures.
