

# TSS TURKEY FOR BROWNING INVECTOR CHOKE TUBES - CARLSONS TSS TURKEY 12 GA FOR BROWNING INVECTOR PLUS BLACK

[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

Carlson's TSS Turkey Choke Tubes are optimized for Federal Premium® Heavyweight® TSS Turkey Loads but also work exceptionally well with other manufacturer's turkey ammunition (Smaller shot size 7-9). The Federal Premium's Heavyweight TSS Turkey Load has an incredibly high pellet count in both 7 and 9 shot, along with the ability to carry energy further, makes them ideal for .410, 20ga, and 12ga. Tungsten Super Shot (TSS) has a 22% heavier density than heavyweight shot and a 56% heavier density than traditional lead shot. It puts the maximum amount of pellets possible in a 10" circle at 40 yds. The Heavyweight TSS shells will include the Flite Control Flex™ wad that gives hunters the ability to shoot any choke tube they prefer. Long-range turkeys don't stand a chance. \*No Steel Shot Larger than #4 may be used in our Turkey Choke Tubes

## Attributes

- Name: [CARLSONS TSS TURKEY 12 GA FOR BROWNING INVECTOR PLUS BLACK](#)
- Manufacturer: [CARLSONS](#)

# Safety Instruction Guide for TSS Turkey Choke Tubes

## Introduction

Thank you for choosing Carlson's TSS Turkey Choke Tubes. These choke tubes are specifically designed for use with Federal Premium® Heavyweight® TSS Turkey Loads and compatible with various turkey ammunition. This guide provides important safety instructions to ensure the safe use and handling of your choke tubes in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the choke tubes are compatible with your firearm before use.
- Always follow local laws and regulations regarding the use of choke tubes and ammunition.
- Use only approved ammunition as specified in this guide.
- Store choke tubes in a secure place, out of reach of children and unauthorized users.
- Regularly inspect choke tubes for damage or wear before use.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Do not use steel shot larger than #4 in these turkey choke tubes.
- Ensure the firearm is unloaded before installing or removing the choke tube.
- Avoid crossthreading when installing the choke tube; ensure it is properly aligned.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any issues with the choke tube during use, stop using it immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Clean the threads of the choke tube and the barrel.
- Align the choke tube with the threads in the barrel.
- Handtighten the choke tube until snug, then use a choke tube wrench to secure it further, being careful not to overtighten.

### 2. Usage:

- Load only approved ammunition into your firearm.
- Aim and fire in a safe direction, adhering to all safety protocols.
- After use, clean the choke tubes to prevent buildup of residue.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local waste disposal regulations.
- Do not discard choke tubes in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding your TSS Turkey Choke Tubes, please refer to the product packaging or visit the manufacturer's website for assistance.

Thank you for prioritizing safety and responsible use of your firearm accessories. Enjoy your hunting experience with Carlson's TSS Turkey Choke Tubes!
