Safety Instruction Guide for FLUSH MOUNT REPLACEMENT FOR WINCHESTER CHOKE TUBES

Introduction

Thank you for choosing the FLUSH MOUNT REPLACEMENT FOR WINCHESTER CHOKE TUBES by CARLSONS. This guide provides essential safety instructions to ensure the safe and effective use of your choke tubes. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the choke tubes are compatible with your shotgun model. This product is designed for use with Winchester, Mossberg 500, Browning Invector, Weatherby, and Savage 12 gauge & 20 gauge shotguns.
- Always handle firearms and associated accessories responsibly and in accordance with local laws and regulations.
- Store choke tubes in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the choke tubes for any signs of damage or wear before each use.
- Use only approved ammunition types with the choke tubes. Steel, Lead, and HeviShot are permitted; however, observe the following limitations:
 - No Steel shot larger than #BB or speeds exceeding 1550 fps should be used in choke tubes tighter than full.
 - No Steel shot larger than #4 may be used in Turkey Choke Tubes.

Specific Safety Precautions for Use

- **Compatibility Check:** Verify that your shotgun is compatible with the FLUSH MOUNT REPLACEMENT choke tubes. Refer to your shotgun's manual for compatibility information.
- **Installation:** Only install choke tubes when the firearm is unloaded. Follow the installation instructions carefully to avoid damage to the choke or shotgun.
- **Usage:** Avoid using the choke tubes with ammunition that exceeds the specified limitations to prevent potential hazards.
- **Cleaning and Maintenance:** Clean the choke tubes regularly to ensure optimal performance. Use a soft cloth and appropriate cleaning solutions. Avoid abrasive materials that could scratch the surface.
- **Emergency Procedures:** In case of a malfunction or accident, cease use immediately and consult a qualified gunsmith or contact customer support for assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Use the choke wrench provided to remove the existing choke tube if applicable.
- Align the new choke tube with the threads in the shotgun barrel.
- Handtighten the choke tube until secure, then use the choke wrench to tighten it slightly. Do not overtighten.

2. Usage:

- Load the shotgun with compatible ammunition.
- Always follow safe handling practices when shooting.
- After use, clean the choke tubes to maintain their performance and longevity.

Disposal Instructions

Dispose of any damaged or worn choke tubes in accordance with local regulations. Do not dispose of choke tubes in regular household waste. Check with local authorities for proper disposal methods to ensure environmental safety.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the manufacturer directly. Ensure you have the product details available to assist with your inquiry.

By following these guidelines, you can ensure a safe and enjoyable experience with your FLUSH MOUNT REPLACEMENT FOR WINCHESTER CHOKE TUBES. Thank you for your attention to safety.
