# Safety Instruction Guide for FLUSH MOUNT REPLACEMENT FOR WINCHESTER CHOKE TUBES

## Introduction

Thank you for choosing the Carlson's Flush Mount Replacement for Winchester Choke Tubes. This guide provides essential safety instructions to ensure the safe and effective use of your choke tubes. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that all users of this product are familiar with safe firearm handling practices.
- Always treat firearms as if they are loaded, even when they are not.
- Keep choke tubes and firearms out of reach of children and unauthorized users.
- Inspect the choke tubes regularly for any signs of wear or damage.
- Use only compatible ammunition as specified in the product description.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Only use Steel, Lead, or HeviShot ammunition in the choke tubes, adhering to the following restrictions:
  - No Steel shot larger than #BB or speeds exceeding 1550 fps in choke tubes tighter than full.
  - No Steel shot larger than #4 in Turkey Choke Tubes.
- Ensure that the choke tube is properly installed before firing.
- Avoid using the choke tube if it shows any signs of damage or deformation.
- Do not attempt to modify or alter the choke tubes in any way.
- Always follow the manufacturer's recommendations for installation and usage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the shotgun is unloaded and the safety is engaged.
- Remove the existing choke tube from the shotgun by using the appropriate choke wrench.
- Clean the threads of the choke tube and the shotgun barrel to ensure a secure fit.
- Insert the Carlson's Flush Mount Replacement choke tube into the barrel, ensuring it is aligned correctly.
- Tighten the choke tube securely using the choke wrench, but do not overtighten.

### 2. Usage:

- Before shooting, doublecheck that the choke tube is secure and properly installed.
- Load the shotgun with the appropriate ammunition as specified.
- When firing, maintain a proper stance and ensure that others are at a safe distance.
- After use, clean the choke tubes according to the manufacturer's recommendations to maintain performance.

## Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local regulations.
- Do not throw away choke tubes in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer directly. Ensure you have the product details available for reference.

By following these guidelines, you can ensure a safe and enjoyable experience with your Carlson's Flush Mount Replacement for Winchester Choke Tubes. Thank you for your attention to safety.
