# FLUSH MOUNT REPLACEMENT FOR WINCHESTER CHOKE TUBES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Flush Mount Replacement for Winchester Choke Tubes by Carlson's. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully before use to ensure safe handling and operation.

## General Safety Guidelines

- Ensure that all users of the choke tubes are familiar with safe shooting practices.
- Always handle firearms and choke tubes with care and respect.
- Store choke tubes in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your choke tubes for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Only use the choke tubes with compatible shotguns: Winchester, Mossberg 500, Browning Invector, Weatherby, and Savage 12 gauge & 20 gauge shotguns.
- Do not use steel shot larger than #BB or speeds exceeding 1550 fps in choke tubes tighter than full.
- Avoid using steel shot larger than #4 in turkey choke tubes.
- Always ensure that the choke tube is securely installed before firing.
- Never attempt to modify or repair the choke tubes yourself.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube if applicable by using a choke wrench.
- Clean the threads of the choke tube and the shotgun barrel to ensure a secure fit.
- Screw the new choke tube into the barrel by hand until snug.
- Use a choke wrench to tighten the choke tube securely, but do not overtighten.

### 2. Usage:

- Load the shotgun according to the manufacturer's instructions.
- Always wear appropriate eye and ear protection when shooting.
- Maintain proper shooting stance and alignment before firing.
- After use, clean the choke tubes with a soft cloth to remove any debris or residue.

## Disposal Instructions

- Dispose of any damaged choke tubes in accordance with local regulations.
- Do not throw away choke tubes in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of your Flush Mount Replacement for Winchester Choke Tubes, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and compliance while enjoying your shooting experience.
