# **Safety Instruction Guide for FLUSH MOUNT REPLACEMENT FOR BROWNING INVECTOR PLUS CHOKE TUBES**

## **Introduction**

Thank you for choosing the FLUSH MOUNT REPLACEMENT FOR BROWNING INVECTOR PLUS CHOKE TUBES by Carlson's. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your choke tubes. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Ensure that you are familiar with your shotgun and its operation before using the choke tubes.
- Always handle firearms with care and follow all safety procedures.
- Use appropriate ammunition as specified in the product description.
- Regularly inspect choke tubes for wear or damage before use.
- Store choke tubes in a safe and dry place, out of reach of children.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Do not use steel shot larger than #BB or speeds exceeding 1550 fps in choke tubes tighter than full.
- Avoid using steel shot larger than #4 in the Turkey constriction.
- Ensure that the choke tube is properly installed before firing the shotgun.
- Always wear appropriate eye and ear protection when shooting.
- Keep the muzzle pointed in a safe direction at all times.
- Do not attempt to modify or alter the choke tubes in any way.

## **Instructions for Installation and Usage**

### **1. Installation of Choke Tubes**

- Ensure that the shotgun is unloaded and pointed in a safe direction.
- Use a choke tube wrench to remove the existing choke tube from the shotgun barrel.
- Clean the threads of the shotgun barrel to remove any debris or obstruction.
- Insert the FLUSH MOUNT REPLACEMENT choke tube into the barrel and handtighten.
- Use the choke tube wrench to securely tighten the choke tube, ensuring it is properly installed.

### **2. Usage**

- Load the shotgun with appropriate ammunition as per the guidelines.
- Check that the choke tube is securely installed before each use.
- Follow all operational guidelines for your specific shotgun model.
- After use, clean the choke tube to remove any fouling or residue.

## **Disposal Instructions**

- Dispose of used choke tubes in accordance with local regulations.
- Do not throw choke tubes in regular household waste.
- If the choke tube is damaged, contact the manufacturer for guidance on disposal.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the FLUSH MOUNT REPLACEMENT FOR BROWNING INVECTOR PLUS CHOKE TUBES, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is of utmost importance. Enjoy your shooting experience responsibly!
