

# SIDELOK MOUNT FOR AIMPOINT® ACRO - KINETIC DEVELOPMENT GROUP LLC SIDELOK MOUNT QD FOR AIMPOINT ACRO BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

Sidelok is a groundbreaking Quick Detach (QD) mounting system for optics. It eliminates the need for tools, levers, or oversized knobs, offering a simple push button design for securely mounting any optic to a picatinny rail. The system guarantees to maintain zero and ensures continuous return to zero when remounted in the same position as when the optic was zeroed. With an additional safety feature to prevent unintentional movement or detachment of the optic, Sidelok represents the future of optics mounts. SPECS: Height (From top of Picatinny Rail): 0.4 inches Length: 2.825" Weight: 2.7 ounces Features: Absolute Co-witness Finish: Black Anodized Compatibility: Acro C-1 | Acro C-2 | Acro P-1 | Acro P-2 | Steiner MPS

## Attributes

# Safety Instruction Guide for SIDELOK MOUNT FOR AIMPOINT® ACRO

## Introduction

Thank you for choosing the SIDELOK MOUNT FOR AIMPOINT® ACRO by Kinetic Development Group LLC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Keep the mount out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of optical mounts and firearms.
- In case of any accidents or unsafe conditions, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to the picatinny rail before use.
- Do not exceed the manufacturer's weight limit for mounted optics.
- Avoid using the mount in extreme weather conditions that may compromise its integrity.
- Be cautious of any sharp edges during installation and use.
- Do not attempt to modify or alter the mount in any way, as this may lead to failure and accidents.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the picatinny rail is clean and free from debris.
- Align the mount with the desired position on the picatinny rail.
- Press the push button to release the locking mechanism.
- Slide the mount onto the rail until it is fully seated.
- Release the push button to engage the locking mechanism.
- Verify that the mount is securely attached by attempting to move it.

### 2. Usage

- Before each use, check that the optic is properly secured to the mount.
- If the optic has been removed and reattached, confirm that it returns to zero.
- Avoid dropping or impacting the mounted optic, as this may affect accuracy.
- After use, clean the mount and optic to maintain performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and optical equipment.
- Do not dispose of the mount in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

## Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's contact information

provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.  
Enjoy using your SIDELOK MOUNT FOR AIMPOINT® ACRO!
