

# **ENHANCED AMBIDEXTROUS CHARGING HANDLE FOR STRIBOG SP9 - KINETIC DEVELOPMENT GROUP LLC ENHANCED CHARGING HANDLE FOR STRIBOG SP9 BLACK**

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

Big, black, grippy and simple. The KDG Enhanced Stribog Charging Handle is everything you need in a charging handle, without reinventing the wheel. Featuring an oversized knurled handle for quick and easy bolt manipulations with rounded edges and a free spinning design to help prevent snagging. This steel charging handle is tough enough to handle anything you throw at it. Nitrided a slick deep black so it won't glisten in bright light, adding a measly 0.3oz to the overall firearm. A simple yet effective upgrade for any Stribog!

# Safety Instruction Guide for Enhanced Ambidextrous Charging Handle for Stribog SP9

## Introduction

Thank you for choosing the Enhanced Ambidextrous Charging Handle for your Stribog SP9. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that this product is used in accordance with the manufacturer's instructions.
- Keep the charging handle out of reach of children and vulnerable individuals.
- Regularly inspect the charging handle for any signs of wear or damage.
- Do not use the charging handle if it is damaged or malfunctioning.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or using the charging handle.
- Use the charging handle only with the Stribog SP9 model.
- Avoid using excessive force when manipulating the charging handle to prevent injury or damage.
- Do not attempt to modify the charging handle in any way.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle from the Stribog SP9 by following the manufacturer's instructions.
- Align the Enhanced Charging Handle with the charging handle slot.
- Firmly press the charging handle into place until it is securely fitted.

### 2. Usage:

- To charge the firearm, grip the oversized knurled handle firmly.
- Pull the charging handle back smoothly and release to allow the bolt to move forward.
- Always check the firearm's status after charging to confirm it is ready for use.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste.
- If the product is damaged or no longer usable, contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Enhanced Ambidextrous Charging Handle for Stribog SP9, please

refer to the manufacturer's contact information provided with the product.
