# Safety Instruction Guide for MLOK Handguards for Heckler & Koch HK416

## Introduction

Thank you for choosing the MLOK Handguards for Heckler & Koch HK416 by Kinetic Development Group LLC. This guide provides essential safety instructions to ensure safe usage and installation of your new handguards. Please read this document carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure that the handguards are used in accordance with the manufacturer's instructions to avoid any risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any product recalls. The manufacturer will provide standardized recall notices if necessary.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with safety regulations applicable to physical stores.
- **Special Consumer Focus:** Keep the product out of reach of children and vulnerable individuals, as improper use can lead to accidents.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the manufacturer's contact information.
- **Rapid Alerts:** Stay updated on any safety alerts regarding the product via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Always install the handguards in a welllit area and ensure you have all necessary tools before beginning.
- **Compatibility Check:** Confirm that the handguards are compatible with your specific HK416 variant to prevent any installation issues.
- **Weight Limit:** Be aware of the weight limit of the handguards to avoid excessive strain during use.
- **Regular Inspection:** Frequently check the handguards for any signs of wear or damage. Do not use if any issues are detected.
- **Avoid Modifications:** Do not modify the handguards in any way. Unauthorized changes can compromise safety and performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a wrench and any other specified tools for installation.
- Ensure the firearm is unloaded and in a safe condition before starting the installation.

### 2. Installation Steps:

- Remove the factory HK 556 rail system by loosening the barrel nut.
- Align the KDG HK 556 handguard with the barrel nut and ensure it fits securely.
- Tighten the barrel nut according to the manufacturer's specifications to ensure the handguard is firmly attached.
- Doublecheck that the handguard is aligned correctly and securely fastened before use.

### 3. Usage Guidelines:

- Always handle the firearm with care, following standard firearm safety protocols.

- Use the handguards as intended and avoid placing excessive weight or pressure on them.
- If any unusual sounds or movements are detected during use, stop using the firearm immediately and inspect the handguards.

## **Disposal Instructions**

- **Environmentally Friendly Disposal:** When the handguards reach the end of their life cycle, dispose of them in accordance with local regulations regarding aluminum recycling.
- **Do Not Burn:** Never incinerate the handguards, as this could release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the MLOK Handguards, please refer to the manufacturer's contact information included with your purchase. Ensure you have this information readily available for any safety inquiries or support needed.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your new MLOK Handguards for Heckler & Koch HK416!
