

M-LOK HANDGUARDS FOR HECKLER & KOCH HK416® - HK 556 M-LOK RAIL 10" FOR HK416 BROWN ANODIZED

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The KDG HK 556 rails are a direct replacement of the factory HK 556 rail systems. Installation is easy, taking only minutes because it utilizes the factory barrel nut. These rails are lighter, longer, stronger and more ergonomic making them the superior option for your HK. The KDG HK556 rails come in two lengths a 10 inch and 13.75 inch available in black and brown type 3 hard coat anodizing. SPECS: Overall length: 10" or 13.75" Weight: 10.2 oz or 13.6 oz Finish: Black anodize type 3 hardcoat or brown anodize type 3 hardcoat Material: 6061 T6 aircraft grade aluminum Compatibility: All HK416 variants including 416, MR556, and M27.

MLOK Handguards for Heckler & Koch HK416® HK 556 Safety Instructions

Introduction

Thank you for choosing the MLOK Handguards for your Heckler & Koch HK416® HK 556. This safety instruction guide provides essential information to ensure safe installation and usage of the product, adhering to the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is installed and used according to the instructions provided in this guide.
- Always inspect the handguards for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible models: HK416, MR556, and M27.
- Do not exceed the recommended weight capacity when attaching accessories to the handguard.
- Avoid exposure to extreme temperatures and harsh chemicals that may damage the material.
- Ensure that the handguard is securely attached to the firearm before use. A loose attachment can lead to accidents.
- Always wear appropriate safety gear when handling firearms.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Gather all necessary tools, including a wrench for the barrel nut.
- Ensure the firearm is unloaded and safe to work on.

2. Remove the Factory Rail:

- Carefully remove the existing rail system from your HK 556 by unscrewing the barrel nut.

3. Attach the New Handguard:

- Align the KDG HK 556 handguard with the barrel nut.
- Securely fasten the handguard according to the manufacturer's specifications.

4. Check Security:

- Verify that the handguard is firmly attached and does not wobble.

Usage Guidelines

- Always handle the firearm with care and in a safe manner.
- Regularly inspect the handguard for signs of wear or damage.
- Clean the handguard with a soft cloth and mild cleaning solution to maintain its finish.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MLOK Handguards, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the MLOK Handguards for your Heckler & Koch HK416® HK 556. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
