

M-LOK HANDGUARDS FOR HECKLER & KOCH HK416® - KINETIC DEVELOPMENT GROUP LLC HK 556 M-LOK RAIL 13.75" FOR HK416 BROWN ANODIZED

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The KDG HK 556 rails are a direct replacement of the factory HK 556 rail systems. Installation is easy, taking only minutes because it utilizes the factory barrel nut. These rails are lighter, longer, stronger and more ergonomic making them the superior option for your HK. The KDG HK556 rails come in two lengths a 10 inch and 13.75 inch available in black and brown type 3 hard coat anodizing. SPECS: Overall length: 10" or 13.75" Weight: 10.2 oz or 13.6 oz Finish: Black anodize type 3 hardcoat or brown anodize type 3 hardcoat Material: 6061 T6 aircraft grade aluminum Compatibility: All HK416 variants including 416, MR556, and M27.

Safety Instruction Guide for MLOK Handguards for Heckler & Koch HK416

Introduction

Thank you for choosing the MLOK Handguards for Heckler & Koch HK416 from Kinetic Development Group LLC. This guide provides essential safety instructions and guidelines to ensure the proper and safe use of your new handguards. Please read this document carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the MLOK Handguards by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. Follow the instructions provided in such notices for free remedies.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when this product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact point associated with this product.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on product safety and recall information.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the MLOK Handguards are compatible with your specific HK416 variant (including 416, MR556, and M27).
- **Inspection:** Before installation, inspect the handguards for any visible damage. Do not use if damaged.
- **Installation Environment:** Perform installation in a clean, dry, and well-lit area to avoid accidents.
- **Children:** Keep the product and packaging materials out of reach of children to prevent any risk of injury or choking hazards.
- **Usage:** Only use the handguards as intended. Improper use may lead to personal injury or damage to the firearm.

Instructions for Installation and Usage

1. **Tools Required:** Ensure you have the necessary tools for installation, including a torque wrench and appropriate sockets.
2. **Remove Factory Rail:**
 - Unload your firearm and ensure it is safe to work on.
 - Remove the existing factory rail system by loosening the barrel nut using the appropriate tool.
3. **Install MLOK Handguards:**
 - Align the KDG HK 556 handguards over the barrel nut.
 - Secure the handguards in place by tightening the barrel nut to the manufacturer's specified torque settings.
4. **Final Inspection:**
 - After installation, double-check that the handguards are securely attached.
 - Ensure that there are no gaps or misalignments.
5. **Usage:**
 - Use the handguards as intended for mounting accessories compatible with the MLOK system.
 - Regularly check the stability and integrity of the handguards during use.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product responsibly. Follow local regulations for disposal of aluminum materials.
- **Recycling:** Consider recycling the handguards if they are no longer usable. Check for local recycling programs that accept metal products.

Contact Information for Further Support

For any questions or concerns regarding the MLOK Handguards, please refer to the manufacturer's contact points listed in the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and effective experience with your MLOK Handguards for Heckler & Koch HK416. Thank you for your attention to safety and proper usage.
