

BENCH BLOCK PRO - REAL AVID BENCH BLOCK PRO

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Blocks](#)

With 14 strategically placed holes, 2 grooves and a larger design, precise pin alignment is made easy for all firearms. This block was constructed with upmost attention to detail for those looking to clean, repair or modify their firearms. The three elongated slots quickly align with compact size to full size pistols. Both the vertical and horizontal grooves offer the properly needed length and cutouts for work to be performed on long and short action bolts. To help secure parts, frames or barrels firmly in place, two Smart-Block Clamps have been incorporated into the block, allowing the end user to focus purely on the task at hand. Mounted inside are two strong magnets that grasp any pin you punch out and hold it securely to the block.

BENCH BLOCK PRO Safety Instructions

Introduction

Thank you for choosing the BENCH BLOCK PRO by REAL AVID. This product is designed to assist you in cleaning, repairing, and modifying your firearms safely and effectively. Please read this safety instruction guide carefully to ensure proper use and to minimize any risks associated with the product.

General Safety Guidelines

- Always use the BENCH BLOCK PRO in a safe and controlled environment.
- Ensure that the area is welllit and free from distractions while working on firearms.
- Keep the BENCH BLOCK PRO out of reach of children and vulnerable individuals.
- Regularly inspect the BENCH BLOCK PRO for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Pin Alignment:** Ensure that pins are aligned correctly before applying force to avoid injury or damage.
- **SmartBlock Clamps:** Always use the SmartBlock Clamps to secure parts, frames, or barrels firmly. Ensure they are properly tightened before starting work.
- **Magnets:** Be cautious with the strong magnets inside the block. Keep them away from electronic devices and magnetic cards to prevent damage.
- **Work Area:** Maintain a clean workspace to avoid losing small parts or tools. This will also help prevent accidents.
- **Personal Protective Equipment:** Wear safety glasses and gloves when working on firearms to protect against debris and sharp edges.

Instructions for Installation and Usage

1. Setting Up the BENCH BLOCK PRO:

- Place the BENCH BLOCK PRO on a stable, flat surface.
- Ensure that the block is secure and will not move during use.

2. Using the SmartBlock Clamps:

- Position the part or firearm securely in the block.
- Adjust the SmartBlock Clamps to hold the part firmly in place.
- Check that the clamps are tight before proceeding.

3. Aligning Pins:

- Identify the pin you wish to remove.
- Use the appropriate tool to punch out the pin while ensuring that it is aligned with the holes in the block.

4. Cleaning and Maintenance:

- After use, clean the BENCH BLOCK PRO with a damp cloth to remove any debris.
- Store the block in a dry place when not in use.

Disposal Instructions

- When the BENCH BLOCK PRO reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service resources. Ensure you have the product information available for reference.

By following these safety instructions, you will ensure a safer and more effective experience while using the BENCH BLOCK PRO. Thank you for your attention to safety, and enjoy your product!
